Request for Proposal for Procurement, Installation, Commissioning and Maintenance of MPLS Network for Branches/Offices vide Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15.03.2025

Aryavart Bank, a Regional Rural Bank, was constituted on 1st April, 2019 after amalgamation of two Regional Rural Banks (RRBs) namely Gramin Bank of Aryavart and Allahabad UP Gramin Bank as per Government of India Gazette notification No. 338 dated 25-01-2019. Gramin Bank of Aryavart was sponsored by Bank of India while Allahabad UP Gramin Bank was sponsored by Allahabad Bank. The amalgamated entity Aryavart Bank functions under Regional Rural Banks Act 1976 having its Head Office at Lucknow under the sponsorship of Bank of India. Aryavart Bank is operating in 26 districts namely Agra ,Aligarh, Ayodhya, Bahraich ,Banda ,Barabanki ,Chitrakoot ,Etah ,Farrukhabad ,Firozabad ,Hamirpur ,Hardoi ,Hathras ,Jalaun ,Kannauj ,Kasganj ,Lakhimpur ,Lucknow ,Mahoba ,Mainpuri ,Mathura ,Mirzapur ,Shravasti ,Sitapur ,Sonbhadra and Unnao in the State of Uttar Pradesh with a network of 1367 Branches & 22 Regional Offices.

The Bank intends to engage bidders for providing **MPLS links from alternate service providers other than BSNL/MTNL and empanelment of service Providers for branches/offices for 3 Banks-Aryavart Bank Madhya Pradesh Gramin Bank,Vidharb Konkan Gramin Bank (All Bank Of India Sponsored)**. Inline to same, Bank invites proposal from interested eligible bidders to participate for complete installation, commissioning, Integration and maintenance at **2342 locations and additional new locations as per requirement**, hereinafter called **MPLS Network Procurement** and empanelment of vendors for branches/offices as per the specifications, terms, conditions and scope given and detailed in this RFP.

Through this RFP process, Bank will select vendors for following different link categories:

- A. MPLS links on Wired Media
- B. MPLS links on Wireless-RF Media
- C. MPLS links on 4G/ 5G Media

The bidders shall be shortlisted based on lowest quotation (location wise) for the above mentioned three categories for each location. Bank may place order for Wired or Wireless-RF or 4G/5G connectivity solution as per the business requirement at its own discretion. The Purchase order shall be placed by Aryavart Bank, Madhya Pradesh Gramin Bank, Vidharb Konkan Gramin Bank separately based on their operating area and branch location, on selected bidders based on lowest quotations obtained in various categories.

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

The finalized total quantity of MPLS Connectivity required by the Bank is as below:

Sr. No.	Description	Name of Bank	Estimated quantity*
1.	Branches/Offices	Aryavart Bank	1655
		MPGB	484
		VKGB	203
	TOTAL		2342

*May be revised as per business requirement of the bank. Denotes minimum quantity. Subject to increase/decrease as per requirement.

The brief of the scope of this RFP is as following:

- 1) Aryavart Bank, is floating RFP on behalf of self, MPGB and VKGB as all 3 Banks are commonly sponsored by Bank Of India. In case of **future Sponsorship Change/Change in RRB Ownership/Structure for any of the 3 RRBs**, selected vendors have to provide unconditional support for making necessary changes in their existing setup as per Bank's requirement without any additional cost to the Bank. This will include but will not be limited to changing and setting up new Backhaul Links at any Location as desired by the Bank, allocating any additional FMS resources, change of FMS resource operational Location as per Bank's requirement OR any other change of requirement raised by any of the 3 RRB's which may be common or separate.
- 2) Post Final Vendor/Vendors selection, each bank will issue separate Purchase Order to respective vendor as per its requirement. Billing will be made in name of PO Issuing Bank by selected vendor.
- 3) Selected Vendors will engage with PO issuing Bank independently of Aryavart Bank as Aryavart Bank is only floating RFP and not an intermediary between other Bank and selected Vendors.
- 4) Any Dispute with any Bank will be taken care between invested stakeholders party to the dispute without making Aryavart Bank a party or mediator between them. Same rule will apply to Aryavart Bank for its disputes with any selected vendors-except when the issue is common for 3 RRBs.
- 5) Each Bank will take care of all matters independently once final selection is made and will not interfere with /nor involve any other bank in its business.
- 6) In case of any dispute/issue common to all 3 Banks with any/all vendors, all banks will collectively come together and try to resolve the issue. **However, each bank shall also have their right to enforce the terms of the contract arising out of this RFP against the bidder independently**
- 7) In Case of any Further requirement (**Other than 2342**) by any Bank for additional Links, the concerned bank will issue request to selected vendor/vendors for a quote on required media and the vendor/vendors will provide rates to the concerned bank. The bank will

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

issue PO to the vendor quoting lowest price for the new requirement. This will be subject to maximum yearly ceiling of 15% of above mentioned estimated quantity for all 3 Banks over a span of 5 years i.e during this RFP validity period.

- 8) The Vendor must ensure that there is uniformity in Quotes across all 3 Banks with respect to additional requirement. Vendors cannot quote higher rate to other banks for additional requirement for a particular media.
- 9) The Bank intends to procure a total solution for the Procurement, Installation, Commissioning, Configuration, Integration, Implementation, Monitoring, Management and Maintenance of **MPLS Network connectivity from alternate service providers other than BSNL/MTNL for its branches/offices as per Annexure 01 and additional new locations as per the business requirement and empanelment of service providers for procurement of new links for 3 Banks.** for a period of 5 years. The Purchase order shall be placed by each individual bank on the selected bidders as per their branches/office locations. The detailed scope along with technical specifications is mentioned in related clauses of RFP.
- 10) The RFP/bidding document /pre bid clarifications can be downloaded from the Bank's website <https://aryavart-rrb.com/> under Tenders section. 3. General Conditions

For a single branch, If for both Primary and Secondary links, same vendor is shortlisted based on technical and financial bids, It is up to Bank's discretion to change vendor for any link-Primary OR Secondary to avoid same vendor for both links. In such cases, Bank will invite at its discretion next lowest vendor L2 to match L1 rate for any link-Primary OR Secondary media. In case L2 is unable to match price offered by L1, L3 vendor may be invited and so on. If no vendor is able to match L1 rates for either Primary OR Secondary media, Bank may choose to change media type-4G/5G/Wired for either Primary OR Secondary link at branch. This process will continue till a different vendor is selected for either Primary OR Secondary media. Only if no vendor is able to match L1 rates for any media, the bank at its discretion may allocate both Primary and Secondary link to same Vendor. However in such case, the vendor has to ensure that both links are operational from different controlling centres so that both will not face network outage simultaneously.

3.1 The Bidder shall certify the compliance or no deviation of all clauses, terms, conditions and specifications stipulated in RFP, as per the Compliance statement Performa given in Format-C.

3.2 All details to be provided by the bidder should be specific to the requirements mentioned.

3.7 Modification and Withdrawal of Bids

3.7.1 The Bidder may modify or withdraw its Bid after the Bid's submission, provided that written notice of the modification, including substitution or withdrawal of the Bids, is received by the Bank, prior to the deadline prescribed for submission of Bids.

3.7.2 The Bidder's modification or withdrawal notice shall be prepared, sealed, marked and dispatched. Withdrawal notice may also be sent by Fax, but followed by a signed confirmation copy, postmarked not later than the deadline for submission of Bids.

3.7.3 No Bid may be returned or modified after the deadline for submission of Bids.

3.7.4 No Bid may be withdrawn in the interval between the deadline for submission of Bids and the expiration of the period of Bid validity specified by the Bidder on the Bid Form. Withdrawal of a Bid during this interval may result in the Bidder's forfeiture of its Bid security (EMD).

3.8 Pre-Bid Queries:

The Bidder shall carefully examine and understand the specifications /conditions of RFP and seek clarifications, if required, to ensure that they have understood all

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

specifications/conditions of RFP. Such clarifications should be sought before submission of bids. The bidder shall submit to the bank a list of queries in writing to reach us on or before **20.03.2025 11:00 AM** (by post or e-mail). No individual consultation shall be entertained. The Bidder's bid should not mention sections like clarifications, 'as orally told', 'to be discussed', interpretations and assumptions. With the submission of the Bid, the bidder acknowledges that he/she has carefully studied and understood the RFP and any clarification provided by email completely.

- 3.9** Incomplete bids, conditional bids, bids not conforming to the terms and conditions, bids without EMD and bids not submitted as per clause 2 and clause 3 are liable for rejection by the Bank.
- 3.10** The bank reserves the right to release part order or more than one order. The bank reserves the right to finalize the bill of material and repeat orders.

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

- 3.11** It is to be understood clearly by the bidders that the selection process requires them to have adequate expertise in the proposed technology. The bank evaluating the proposed solution will also consider the competence and capability of the bidders in implementation and support services.
- 3.12** The bids received and accepted will be evaluated by the Bank to ascertain the best and lowest bid in the interest of the Bank. However, the Bank does not bind itself to accept the lowest or any Bid and reserves the right to reject any or all bids at any point of time prior to the order without assigning any reasons whatsoever. The bank reserves the right to re-tender without assigning any reasons whatsoever. The bank shall not incur any liability to the affected bidder(s) on account of such rejection. Bank shall not be obliged to inform the affected bidder(s), the grounds for the Bank's rejection. The Bank reserves the right to modify any terms, conditions and specifications of the RFP and Bank reserves the right to obtain revised price bids from the bidders with regard to change in RFP clauses. The Bank reserves the right to accept/reject any bid in whole or in part.
- 3.13** The bank reserves its right to appoint any consultant or consultants for evaluation of the bid.
- 3.14** The bidders shall arrange to give a presentation/demonstration on their solution after submitting their Bid, if required by the Bank. The Bank shall communicate the venue, date and time of presentation/demonstration to the bidders separately
- 3.15** Within six weeks from the date of acceptance of the order by the selected bidder, the bidder shall sign a stamped "Contract agreement", referred as "Contract" in this RFP separately, with Aryavart Bank, MPGB and VKGB at the time, place and in the format prescribed by the Bank. The Contract agreement shall include all terms, conditions and specifications of RFP and also the Bill of material and price, as agreed finally after Price bid evaluation. The Contract shall be executed in English language in 2 (Two) originals, the 3 banks receiving the duly signed one original each and the selected bidder receiving the second original copies for each Bank. The contract shall be valid till all contractual obligations are fulfilled. **There will be no reverse auction under this RFP.** However the Bank reserves the right to evaluate the financial viability of the bids on different media and go ahead with only those bids which the Bank considers as financially viable as per its discretion and in its best interest. It has been observed that in the past, bidders have submitted extremely high bid prices for branches on different media, rendering that media as financially unviable.

3.16 Effective Date and Validity of the Project:

The effective date of start of the contract with the selected bidder shall be date of acceptance of first site under this project by the Bank. The Bandwidth rental charges for a site will be calculated and payable from date of actual commissioning/go-live of that site under this project for each bank separately.

The bidder shall submit the acceptance of the order within three days from the date of receipt

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

of order. The bank reserves the right to consider the late acceptance of the order, if any, at its discretion. Failure to accept the order within three days from the date of receipt of the order makes the EMD liable for forfeiture at the discretion of the Bank. Thereafter the Bank shall be at liberty to proceed with procurement from the other technically qualified Bidders within the purview of the same RFP and/or by calling for fresh commercial quotes from the technically shortlisted vendors. In such an event, the initially selected bidder stands disqualified for further participating in the subject Bid. **The contract of all sites ordered under this RFP (for all 3 Banks) shall be deemed to end after 5 years from the date of successful commissioning and acceptance of first site under this project i.e. The contract for all sites shall end synchronously on the same day**, accordingly the charges shall be paid on pro-rata basis for bandwidth for all sites ordered any time during this contract. The contract will be ended on a single date i.e. contract expiry date.

3.17 Earnest Money Deposit (EMD)

3.17.1 The Qualifying & Technical Bid, PART-A shall be accompanied by Earnest Money Deposit for the bid is of Rs.50,00,000/- (Rs. Fifty Lakhs Only) by way of Bank Guarantee (format as per Format F(a) Bid Security form) from any of the scheduled commercial banks (other than Aryavart Bank, MPGB and VKGB) in an acceptable form favoring **“Aryavart Bank – EMD for Procurement of Second MPLS Network and empanelment of vendors for branches/offices-2024 Ref No. HO/IT/MPLS/RFP-01/2024/230 Dated: 15.03.2025”, Lucknow U.P.** No interest shall be allowed on the Earnest Money deposit. Bids without Earnest Money deposit are liable for rejection.

3.17.2 The Bidder may also deposit the cost of EMD amount Rs.50,00,000 (Rupees Fifty Lakh only) by way of NEFT/RTGS in the following Bank account

Account No-999990200000540
Name of the Bank-Aryavart
Bank IFSC Code-
BKID0ARYAGB

3.17.3 After depositing the EMD payment respective bidders are required to send an email (**FORMAT-O Bank / Payment Details from Bidder**) in this regard to below email ids stating the transaction details viz Amount, Date of transfer, UTR No, Bank, Sender's name, RFP Ref etc latest by **15.04.2025 17:00 hours**

Email –Hardware.gba@aryavartbank-rrb.com

3.17.4 Only upon receipt of details of payment of EMD and verification of the same by the Bank, bidder will be considered as authorized to participate in the bid. In case of failure to submit the payment towards EMD document for any reason before the prescribed date and time, the Bidder will be disqualified for the bidding process and the bid submitted by such bidder will be rejected at initial stage itself. Please refer to **Format-O (Bank / Payment Details from Bidder)**.

3.17.5 The MSE bidders alone are exempted from submitting the Earnest Money Deposit of Rs. 50,00,000/- subject to the submission of valid and authorized copy of registration

certificate and exemption certificate (if applicable) from competent authority. The MSE registration certificate submitted must be valid as on bid submission date.

- 3.17.6** The EMD (if in form of Bank Guarantee/NEFT/RTGS) and cost of bid (if in form of DD/PO/NEFT/RTGS) will be submitted in a separate envelope.
- 3.17.7** The bid security in the form of Bank Guarantee shall remain valid for a period of 6 months from the last date of submission of bids with 6 months claim period.
- 3.17.8** The EMD shall be returned to the selected bidder on his/her submission of Contract Performance Guarantee as defined in clause 38 (5% of Total Order Value once rates are finalized) and signing the contract. Unsuccessful bidders' Bid security will be discharged or returned as promptly as possible after the expiration of the period of Bid validity (i.e. not later than prescribed by the Bank).
- 3.17.9** If the bid security amount has been deposited through NEFT/RTGS then Unsuccessful Bidders' Bid security will be discharged or returned through NEFT/RTGS but without any interest. The Bidder shall furnish their Bank details like name of the Bank/ Branch/ Type of account/ IFSC code in the Format-O (Bank / Payment Details from Bidder). **The Qualifying & Technical bid and price bid will not be returned to unsuccessful bidders.** In case the RFP is scrapped same condition will apply and bids will not be returned to bidders. It shall be deemed to be the property of the Bank. The Bank has the right to peruse the same at any point of time.
- 3.17.10** Bank reserves the right to change the dates mentioned above or in the RFP, which will be communicated.

4. Business Requirement

- 4.1** Aryavart Bank intends to procure a total solution for supply, installation and commissioning and Maintenance of Second MPLS Network on wired or on stable wireless solution for its **branches /offices concerning Aryavart Bank ,MPGB and VKGB (in case of any Sponsorship Change for any or all 3 RRBs-selected bidders have to deliver links as per each individual RRB's requirement at any branch location as per respective Bank's PO)** from eligible bidders (**excluding BSNL and MTNL**) for the locations as mentioned in Annexure-01 of this RFP and any additional future requirements above and beyond 2342 units in this RFP for any of 3 Banks (as and when identified by bank during the contract period) with different Bandwidth requirement during contract period of project i.e. 5 years. Bank may place order for Wired or Wireless-RF or 4G/5G connectivity solution as per the business requirement at its own discretion. The project initiation date will commence from the date on which the first link is commissioned by the bidder and duly accepted by the bank. The Bank may place purchase order on any of the solution as per the requirement/discretion. The Bank also reserves the right to place the minimum number of orders as per the bank business requirement.
- 4.2** Aryavart Bank also intends to empanel the service providers among the selected bidders based on the feasibility of all sites and eligibility as per RFP.

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

- Contract will end uniformly for all sites after 5 years from the date on which the first link is commissioned by the bidder and duly accepted by the respective bank. **All sites including new sites ordered under this contract will end uniformly on same day.**

4.3 Bank has migrated its Core Banking platform to Finacle 10 version. Also bank has deployed/under deployment/under process- IT solutions like NAC solution, Configuration Management Solution, etc. To fulfil the network and Bandwidth requirement to roll out these solutions successfully, Bank is upgrading its Branch network bandwidth and related infrastructure. Bank is procuring MPLS Links through this RFP to rollout above mentioned solutions and any other (as per its requirement) from time to time. Bidder shall extend all kinds of support required to make with these solutions workable and share their inputs with Bank on every stage of this RFP/contract. Irrespective of the in route /out route bandwidth the entire solution should work to the bank's requirement. Accordingly the selected bidder will configure their cloud, to ensure smooth functioning of the Bank's Branches which are connected through MPLS Links.

4.4 Bank may request for extension of validity of contract for a period of 1 year or till the finalization of alternate arrangements for all or selected ordered and commissioned links under the Project. The rates applicable for the extended period shall be on the basis of fifth year pricing.

4.5 All bidders should have full-fledged Enterprise level Network Operating Centre (NOC) facility where calls should be handled and NOC should be easily approachable by bank's branches or officials to support in case of any issue observed. Bidders has to allot dedicated toll free number at their NOC for Bank's branches/locations which should be accessible through mobile or landline. Bank locations will call the designated toll free number for fault booking or status updating. The bidder's NOC should have preferably separate team for Aryavart project. Bidders should ensure after booking the fault through toll free number, an alert with fault booking number should be gone to the caller through the mail/mobile number from which call is being lodged. Further update of such fault should also to be updated through email/SMS to the designated Bank team.

4.6 Although bank has asked pro-active monitoring of link, it is the responsibility of bidders to advise the caller about their circuit status. At any point of time bank can review the required process at bidders NOC and bidder shall arrange visit of the NOC facility. Bidders also have to provide required statistics of all calls which are landing at bidders NOC to bank for taking further business decisions.

B. Scope of the RFP

5. Broad scope of work

Part-A: Procurement of MPLS Network for Domestic branches/offices

5.1 Aryavart Bank intends to procure a total solution for supply, installation and commissioning of **MPLS Network connectivity from alternate service providers other than**

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

BSNL/MTNL for the branches/offices of 3 Banks-Aryavart Bank,MPGB and VKGB (All BOI Sponsored) as per Annexure 01 and additional new locations as per the business requirement and empanelment of service providers for procurement of new links for Bank's branches / offices for a period of 5 years. The project initiation date will commence from the date on which the first link is commissioned by the bidder and duly accepted by the bank. The Bank may place purchase order on any of the solution and for any bandwidth as per the requirement/discretion. The Bank also reserves the right to place the minimum number of orders as per the bank business requirement.

5.2 The guidelines on Public Procurement (Preference to Make in India), Order 2017 will be applicable as per Government of India guidelines and order shall be placed accordingly. The allocations of sites will be at the discretion of each Bank. Bank may go for extension of contract with all existing terms and conditions on pro-rata amount on the fifth year pricing finalized under this RFP process for a period of 1 year or till the finalization of alternate solution.

5.3 Bidders should provide adequate capacity dual Backhaul links (Both Primary and Secondary Backhaul Common to 3 Banks) at BOI's existing DC at Belapur, DR at Bengaluru, new DC at Ctrl S Mahape and new DR at Yotta Greater Noida sites. In case there is change of Sponsorship/Restructuring of 3 RRBs, bidders will have to ensure separate Backhauls for all 3 RRBs or make arrangements as per Bank's requirement at any location other than above mentioned backhaul sites without any additional cost to any Bank. Any new Backhauls whether common or separate to any RRBs at any required location will be free of cost which will include all types of Hardware etc that has to be provisioned by the bidder. Bidder has to do the sizing of backhaul link as per the number of branches order received. Bidder should ensure backhaul links **(two backhaul links at DC Belapur, two backhaul links at DR Bangalore, two backhaul links at new DC Mahape and two backhaul links at new DR Yotta for RRB Segment)** to be delivered and commissioned before the commissioning of MPLS Link at branch location. Also all backhaul links should be delivered from telecom service provider other than M/s BSNL and MTNL. There will be no separate cost for MPLS backhaul links in the project. Bidder shall ensure to upgrade the bandwidth of backhaul links to minimum 2 times bandwidth if the utilization of DC or DR or new DC or new DR Backhaul link exceeds 70% for more than N (60) seconds then bidder has to ensure the backhaul link should be upgraded within **thirty** days of such intimation. Necessary network devices such as **Router/Mux/Rack** along with **necessary cabling/cross-connect** and **Battery Backup** as per Industry Standard to be provided by Bidder without any additional cost. The bank will provide the Rack space, cooling and power supply only for these links. **Separate set of backhaul links are to be provided for RRB branches at DC, DR, new DC and new DR.**

5.4 Bidders should provide adequate capacity routers free of cost at bank's DC, DR, new DC and new DR locations for terminating the backhaul links of Domestic branches. The Configuration, management, monitoring and maintenance of these routers shall be done by the bidders only. There will not be any extra cost for provisioning, Configuration, management and maintenance of these routers.

5.5 Bidder should provide Backhaul links at Bank's DC, DR, new DC and new DR sites on

wired FIBER media (with Electrical Ethernet media for handshake at Bank's CE router Multi Mode -SR).Future Backhauls may require different form of media which will be communicated to selected bidders by Bank. Bidder will have to bear the complete cost of any such change with routers, modems, cables up to Bank's CPE etc. at DC, DR, new DC and new DR locations with no extra cost to the Bank. Complete address details of Bank DC, DR, new DC and new DR sites will be shared to the successful bidders only. The existing empaneled service providers, who participate in this process and have already provided the Backhaul links for the branch connectivity under previous second MPLS Project and intended to use the existing backhaul links under this project, can augment the capacity of existing backhaul proportionately with the count of branches/ links which are commissioned under this RFP with the prior consent of Bank. Bank can further investigate such proposals/ solution as per the Information security norms and may refuse the same without citing any reason. However, new set of backhaul links are compulsorily to be provided for new DC Mahape and new DR Yotta locations. All current, new and future backhauls will be free of cost irrespective of backhaul location or Sponsor Bank.

- 5.6** The last mile of Backhaul delivered link PoP should be highly redundant and there should not be any single point of failure. The bidder should have their own nation-wide high availability MPLS network backbone. The bidder's core MPLS backbone should be fully meshed. **Bidder has to submit the declaration for this clause during bid submission.** The bidder shall provide L3 VPN Circuits (Virtual Private Network - IP Security enabled) on stable wireless or wired media as last mile, as ordered. All branches shall be on minimum 4Mbps dedicated bandwidth. (Individual Bank B/W May Differ as per PO Issued by respective Bank's)
- 5.7** The Bidder's scope of work as per the conditions and technical specifications of RFP include supply, obtaining necessary road permits and other related permits, transportation, local delivery, storage, cabling, installation and commissioning of MPLS connectivity at the identified locations including IP address design (as per IP Schema provided by the Bank), implementation, integration, migration, acceptance testing and also includes transit insurance, storage and installation, insurance even after Acceptance by the bank, documentation, warranty, annual maintenance with regard to establishment of MPLS connectivity at identified locations.
- 5.8** The Bidder shall arrange road permit for the locations applicable at no extra cost to the Bank. Bank will not be paying any charges for Site visit/transportation by the bidder team for link commissioning at the ordered locations.
- 5.9** Any software support (if applicable) like update/enhancement/upgrade etc., released till the completion of contract period shall be supplied, installed and commissioned free of cost by the bidder. However, any such software support like update/enhancement/upgrade shall be communicated to the Bank by the Bidder within a period of two weeks from the date of release, during the entire contract period. Software Support is defined specifically as helpdesk, update/enhancement, upgrade, technical guidance on usage of features and functionality, problem solving and troubleshooting, rectification of bugs, enabling features of the software already provided, providing additional user controlled reports, enabling parameterized features, future product information, migration path details and consultancy. The support shall be given in person

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

or through telephone, FAX, letter and E-mail within a reasonable time as the case may be, acceptable to the Bank. All reports which are required for the monitoring the utilization, downtime, packet loss, latency, etc. are to be provided. All reports which are required for SLA calculation is to be provided by the selected bidder.

5.10 The bidder shall provide the service, system spare parts and complete maintenance of the system for a period of not less than 5 years from the date of acceptance of each site, extendable on mutual agreement. The bidder shall submit an undertaking letter to this effect along with the Qualifying & Technical bid, otherwise the bid is liable for rejection.

All tools, tackles, testing instruments, consumables, vehicles etc., as required during all operations such as transport, installation, testing, commissioning and maintenance during the contract period shall be provided by the Bidder at no extra cost to the Bank for completing the scope of work as per this RFP.

5.11 Installation and commissioning of MPLS equipment's at any sites will be specified by the bank. Bank will ensure readiness of the sites in time. Bidder shall provide platform/snow shield/proper ballast/conduit for cable/Lightening protector wherever necessary without any additional cost to the bank. All the cabling should be done with proper clamping and with conduit and shall be neat and structured with PVC pipe without any additional cost to the bank. It's the bidder responsibility to drill a hole to take the cable inside the premises with the permission of Branch Manager and landlord.

5.12 The bank will arrange for necessary power and earthing at the branch and the vendor can extend the same by laying the necessary cables. If Bank provided initial earthing is not proper, bidder may also arrange for another earth pit dedicated for MPLS Link with no cost to the bank and prior permission from Branch Manager and landlord.

5.13 The vendor needs to check the earthing and power supply before installation of their equipment. Ownership, maintenance and upkeep of the equipment are the bidder's responsibilities and bank will not be responsible for any damage to the bidder equipment due to natural calamities etc. The bidder also has to arrange the necessary insurance for the equipment's installed at branch premises with no cost to the bank so that in case of any unforeseen events at branches/offices like fire, theft etc which may lead to loss/damage of equipment can be promptly replaced without any additional cost to the Bank. Bidder shall submit the Installation Certificate **(IC)** report as per Format-I duly counter signed by the branch/office bank official after the installation of the MPLS Link at each site. Bidder shall keep record of these IC reports and shall submit these reports while claiming the MPLS Link payment, failing which bank may not release the payment.

5.14 Against down-call of the link, it will be the responsibility of the bidder to take the modem (IDU/POE) indication from branches from the contact person list which shall be shared by the bank while placing the order. If the contact number is unreachable/no response/not working/out of coverage area, bidder has to send the field engineer to get the modem indication/troubleshoot and locate the main cause of downtime of MPLS Link.

5.15 In future, bank may carry out design modification and/or application addition to the

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

bank network, including modification for the security policy implementation. Accordingly vendor should carry out necessary configuration changes in the MPLS network, as advised by the bank time to time and no additional cost will be borne by the bank in this regard.

5.16 Bank is under process of rolling-out Software Defined WAN (SDWAN) solution in selected branches/offices. Bank shall use these MPLS Links as Primary, Secondary or in Active- Active configuration with other available link(s) in branches/offices as per business requirement. Bank shall not pay any additional cost to the Bidder for using these MPLS Links as Primary, Secondary or in Active-Active configuration with other available link(s) in branches/offices. Selected bidders shall provide all kind of support and co-ordination to the bank during link commissioning and migration to SDWAN solution.

5.17 The Bank at its discretion may seek a pilot run for the proposed type of connectivity offered by the selected vendor(s) in live environment. This pilot run will include Installation Certificate as per Format - I to test the workability of the entire solution. A Pilot testing team comprising of officials from all stake holder departments and third party consultants hired by the Bank will check the solution against the various parameters given in the RFP.

The terms & conditions of the pilot run will be as follows:

- a. The pilot test has to be conducted without any cost to the Bank.
- b. The pilot test will have to be conducted in **5 branches** as advised by the Bank.
- c. The pilot test will have to be initiated, within four weeks of the Bank Intimation.
- d. The pilot test, if mandated by the Bank, will have to be done with all types of wired/ wireless technologies offered by the vendor.
- e. Pilot test document containing procedure, diagram, IP details, security considerations, applications testing results etc. should be submitted to the Bank.

5.18 Bidder shall have adequate security and internal control, audit coverage, reporting and monitoring environment, business continuity management. All statutory obligations should be fulfilled by the Bidder.

5.19 The bandwidth provided by the bidder should be available in full duplex mode with any to any configuration in MPLS Cloud network.

5.20 All locations should be made feasible on stable media either on wired or on wireless mode as per purchase order.

5.21 Bidder should provide connectivity through stable wireless or on wired media and shall adhere to the following-

a) If the link is not commissioned within the timelines as specified in clause 8.3 by any of means, the purchase order for the link shall automatically get cancelled. In case of bulk order (containing more than one locations), the order cancellation shall be automatically applicable to only those locations which are not commissioned within the timelines.

(b) If the link is not commissioned due to service provider dependency then fresh

procurement process for procuring new link/ second link shall be initiated as per extant guidelines by the bank. For such remaining links, bank may also approach to other feasible bidder subject to requirement and match with the price of L1 as per RFP Terms.

- 5.22** Bidder has to provide Layer 3 MPLS VPN link on dedicated ports with 1:1 committed flow. The end point deliverable at branches should be on Electrical Ethernet Interface in full duplex mode. Bidder has to provide the requested end point as advised by bank in all ordered locations. There should not be any constraints at the bidders end for requested end point deliverable. Bidder should make all arrangement for providing the end point viz. converter etc. Bidder should ensure there should not be any service degradation by using such external media at ordered locations. On 100% locations, the bidder has to commission the link via Electrical Ethernet interface.
- 5.23** **Bidder should provide declaration as the delivered MPLS Network of bank is fully isolated from Internet traffic in their network as well as MPLS traffic of other customers and separated at device level as well.** Bidder has to provide the MPLS link on branch router.
- 5.24** Bidder has to deliver the link up to the branch's router and terminate on the required interface of branch router with prior consent/information to Bank designated team. There shall be no Branch Visit charges for Engineer visit in case more than one visit are needed to resolve the issue at any branch.
- 5.25** Bidder has to provide necessary hardware for delivering the link at bank's identified location without any additional cost to the bank. Bidder should provide mapping, configuration and password of all equipment's provided by the Bidders.
- 5.26** Bank Facility management team/ Bank appointed system integrator's team (managing the CE router at branches/offices or at DC-DR-new DC-new DR location) shall be configuring the delivered links in active-active configuration on CE router. It is the responsibility of Bidder to ensure active-active configuration and auto failover of links by necessary coordination with the bank Facility management team/ Bank appointed system integrator's team i.e. when present MPLS link gets failed, the complete branch traffic should switch over to another link without any downtime for the branch/locations. Bidder should work in close coordination with bank Facility management team/ Bank appointed system integrator's team for achieving active-active link configuration and auto failover configuration. The bidder shall provide the Router for commissioning of Backhaul links and will be under his scope and maintenance. The configuration part shall be taken care by the bidder and has to ensure that all the requisite banking applications are accessible on the links commissioned by bidder.
- 5.27** Bidder should do the site survey of all locations for delivering the requested MPLS link at identified branches or offices. **All site survey reports should be recorded and submitted to bank as and when required with proper acknowledgment from concerned location officials.** The bank can ask the bidder to present these reports at any point of time.
- 5.28** Bidder should provide the complete site readiness requirement (like power

conditioning etc.) to bank designated team and local branch officials in writing.

5.29 Bidder has to provide links, preferably on stable wireless (e.g. RF) or on wired media till router, as ordered.

5.30 A. Bank will only provide Rack space (max 2U only), required earthing voltage and UPS Power supply for installation or commissioning of required links in branches/offices. All other required infra including cabling **and additional Rack (if required)** should be arranged by bidder at no extra cost to bank. Bank will not take any responsibility for installation of MUX/MAST/RF antenna/Modems etc. Bidder should take adequate insurance for deploying hardware at no cost to bank for preventing the equipment from any kind of damage from the date of inception of project to the completion of contract period with the respective bidder.

B. Bank shall provide the rooftop permission for installation of Pole/other equipment's wherever possible. However, **the bidder is refrained from installation of any other equipment other than the one required for connectivity of that specific branch and also that equipment should not be used for connectivity of any other building/customer.**

5.31 Provision of Dedicated Team at Bank's office

5.31.1 Bidder has to provide maintenance and FMS support inline to business requirement stated in Clause 8 along with below mentioned resources requirement at banks central locations. In case there is need to increase/ decrease the number of FMS resources Bidder will have to comply with each Bank's request which may or may not include provision to allocate separate resources for each bank based on future requirement.

5.31.2 Central Location: This will be at As per Bank's Requirements, Bidder should ensure the above mentioned resources should be available in each shift. The below mentioned resources shall be dedicated for the 3 Banks. The selected vendor shall submit the contact details of the proposed team within one week from the date of receiving LOI/Purchase Order from bank. Based on the future requirements, bank may ask the selected bidder to depute their FMS team at other locations also which include but not limited to DR, new DC, new DR or any other location required by Bank.

a. Each Selected bidder has to provide support engineers (as tabulated below) and Team Lead (In General Shift) required at Bank Centralized location. The support engineer requirement per shift timing is tabulated below:

SN	Shift	Timing	Minimum Support engineer count			
			Link upto 400*	Link> 400 and <800*	Link> 800 and <1200*	Link> 1200*
1	Shift-1	06:00 AM to 2:00 PM	0	0	3	4
2	Shift-2	10:00 AM to 6:00 PM	3	3	3	6
3	Shift-3	2:00 PM to 10:00 PM	0	3	3	4
4	Shift-4	10:00 PM to 06:00 AM	0	0	1	1

* Ordered Links count

- b. Qualification of Support Engineers** - The network engineer should be B.E/ B.Tech./BCA/MCA/BSC (IT)/MSC (IT), CCNA qualified or equivalent/higher certifications with minimum experience of 2 years as network specialist, so as to be able to resolve problems related to wireless and leased line/MPLS networks. Selected Bidders need to submit the supporting documents wrt engineer's qualifications as stated above, before their joining at Bank's location and only after the confirmation given by Bank, the FMS resources shall join.
- c. Team Lead** - Apart from above mentioned resources there will be one senior resource from each bidder (common to Each RRB) allocated at Bank's central location (OR in case of change of current Central Location- any location as desired by the 3 RRBs), who will be designated as **Team Lead**. In case there is requirement to have separate Team Leads, Selected Bidders will have to comply with each Bank's request.
- d. Qualification of Team Lead** - Should be a B.E/ B.Tech./BCA/MCA/BSC (IT)/MSC (IT), with CCNP and ITIL/PMP/PRINCE 2 certified or equivalent / higher certifications and minimum of 5 years' experience in deploying and managing network projects. Selected Bidders need to submit the supporting documents wrt Team Lead's qualifications as stated above, before his/her joining at Bank's location and only after the confirmation given by Bank, the Team Lead shall join.

5.32 Bank may also ask bidder to depute below mentioned resources (except Team Lead) to work from bidder's office/**premises instead of Bank location. The team Lead shall mandatorily be deputed at the current existing Sponsor Bank's DC location. This Location can be changed as per Bank's discretion. Location (either Bank DC or Bidder's office/premises) of FMS resources (including TL) shall be decided by the Bank, at its sole discretion.**

5.33 Facility Management services includes but not limited to the following:

- a) Overall proactive Monitoring through NMS tool and management of the MPLS Links and related services on all sites under this RFP. The NMS tool shall be available from the starting of project.
- b) Contact branches end users to understand the problem if there is any fault finding.
- c) Overall monitoring and management of the project during and after installation for the full period of contract.
- d) Coordination for delivery/ installation of new hardware in stipulated time frame.
- e) Quality service delivery.
- f) Onsite team management and proactive response.
- g) SLA Maintenance / Management, monthly uptime reports, bandwidth utilization reports, downcall reports etc. of all the MPLS Links.
- h) Submission of periodical reports on the performance of the equipment's and its reviews. Preparation and submission of other MIS related work assigned by Bank.
- i) Crisis Management and Emergency Response Procedures
- j) The FMS resources shall do any work assigned by Bank or Bank designated SI, which is deemed necessary for business continuity and the uptime of the branches/offices where MPLS Links have been installed.

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

- k) The onsite FMS resources to be deputed shall be interviewed by Bank/Bank designated officials to assess their knowledge level by way of personal interaction or written paper for ensuring the quality of onsite technical support.
- l) The onsite FMS resources should be prepared to work for extended hours in case of need.
- m) The onsite FMS resources should abide by timings of the Bank.
- n) The members of the on-site team should be provided with mobile phones by the bidder and the details like Name, Address (Inclusive of Residential Telephone Number (Residential), Mobile Number should be provided to Bank.
- o) Name of emergency contact personnel with relationship and Telephone number should be provided to Bank.
- p) Disability if any or suffering for any disease should be informed to the Bank in advance.
- q) The on-site team shall maintain attendance register and the same should be shared with Bank on monthly basis.
- r) The FMS team shall not be changed without prior approval from Bank and adequate notice (minimum one month for Level 1 (L1), two months for TL). Any resigned resource of FMS team should not be relieved before giving suitable replacement.
- s) The bidder shall also provide suitable technical staff to supplement the efforts of the FMS support resources during emergencies / contingencies which might impact the systems, Systems and services covered under this scope.
- t) Bidder shall provide backup resource in case any of the FMS resource avails leave, however bidder service delivery team will be entirely responsible for team deployment, SLA monitoring, task delegation, workload distribution etc.
- u) Absence of any FMS resource must be complemented with equal skill resource.
- v) If the engineer/TL is found to be not qualified / suitable / his performance is not satisfactory, bidder shall have to replace the engineer within 45 days of written e-mail communication from Bank regarding the same.
- w) During the contract period, the bidder and its employees shall at all the times comply with & abide by the security policy of the bank (In case Policy is not available-Policy of current Sponsor Bank must be followed with Bank's Consent) in so far as the same may be applicable to or in respect of the works and the provisions of the contract.
- x) Bidder will follow and comply with the procedures and policies, applicable to the scope of work mentioned in the RFP, lay down by the Bank vide IS Security Policy from time to time and also extend full cooperation to the auditors designated by Bank.
- y) Bidder/ FMS resources shall inform Bank about any correspondence with external entities pertaining to any point mentioned in the scope of the work.
- z) All the FMS resources deputed at bank should have Police verification report. Bidder needs to submit the Police Verification report of FMS resources along with all documents at the time of joining the FMS team.
- aa) Bidder has to ensure the required uptime of 99.5% of each MPLS Links on monthly basis. If any additional /resources are required to maintain the uptime of 99.5%, the bidder has to provide without any extra cost to the Bank.
- bb) The scope of FMS is not limited to above only. Bank shall assign any other work based on the related requirement to the FMS. **The team Leader shall be the payroll employee of the bidder mandatorily. Documentary evidences shall be produced to the bank before joining.**

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

- 5.34 Bidder should ensure all recruited resources for Aryavart project should be professionally skilled and have good knowledge on handling the project at Customer site. During the recruitment process of required resources, bank may involve their officials to judge the technical requirement. **Bank will be conducting interviews of such resources prior to granting them access/permitting their deployment at bank's locations. If the candidate is not found suitable, Bidder has to propose a new candidate.** Since these resources are going to be placed at Bank's Critical location, it is mandatory for the bidder to ensure the Police verification report of such engineer who are going to be placed at Bank's critical location for the Project operations support well in advance.
- 5.35 The bidder should ensure the dedicated Roll-out Manager (Common to Each RRB) should be deputed in Aryavart Bank, MPGB and VKGB till the installation of all ordered sites. There will be fortnightly review meeting on project implementation which should be held at each Bank's location till the complete implementation. Monthly service review meeting should be scheduled at each Bank's location on mutually agreed date and time for the project performance. In every quarter the project steering committee meeting may be scheduled for complete project delivery in terms of all verticals i.e. w.r.t implementation, service review, operational issues, payment collection etc. Bidder should ensure the responsible heads from their organization should be available at each Bank's location for the steering committee meeting. This meeting may be scheduled on every quarter with mutually agreed date and time.
- 5.36 Bidder should ensure all links should be pro-actively monitored with their designated NMS. Bidder must have their own NOC facility for monitoring of the network. Bidder has to submit the **Uptime, Bandwidth Utilization, Link error, Latency, Down-call/Event Report** details or any other consolidate reports as required by bank with prompt response time of such demand.
- 5.37 **Bidder has to deploy a system which is capable of logging calls in case of disruption of services due to link failure automatically** i.e. without manual intervention and alerts of such down-calls should be reported to bank by way of e-mail facility. Bidder should provide a portal to bank where real time monitoring can be observed and ticket logging and ticket status can be viewed and done .The bidder shall also ensure the maximum uptime (>99.5%) and put monitoring system in place and make sure monitoring of all commissioned links on real time basis. The bidder shall also provide onsite FMS Team to monitor the links on daily basis. This integration is to be implemented by the selected bidder at no extra cost to the bank.
- In case the existing empanelled bidders of Bank under second MPLS Project are finalized in this new RFP process, the bidder may integrate the newly commissioned links with their existing NMS tool with clear segregation of projects in the NMS and relevant field to distinguish the projects subject to consent from Bank/ Bank Information Security Team. Also bidder shall ensure that all the said requirements/ features are fulfilled as per this RFP.
 - In case of shifting of a branch to new location where feasibility on wired/ RF is not available or existing working link become Not Feasible then some alternate

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

arrangement like 4G/5G connectivity should be made available to that branch by the bidder itself. The rates of such alternate connectivity shall be as per L1 rates for 4G/5G link as discovered during RFP process.

- c. In case if L1 bidder is not able to commission the link as per mentioned timelines, the Bank will be starting process to ascertain the feasibility from the remaining bidders. The concerned site will be allocated to the bidder as per process ensuring that he is complying the L1 rates criteria and will be commissioning the link as per delivery timelines. However, preference may be given (Not mandatory) to those bidders whose links are already live under Second MPLS 2019 project irrespective of the bidder's ranking and same will be as per bank's discretion.
- d. **Bank's NMS/Ticketing system:** Bidder should also ensure to integrate the links with **banks upcoming ticketing or NMS system through BMC tool**. At present bank is under process of integrating **BMC tool viz BMC Entuity, BMC Remedy ITSM, BMC Truesight Network Automation, Entuity Network Analytics, BMC Truesight Capacity Optimization, BMC Discovery, BMC Client Management, BMC Atrium CMDB** as a tool for call logging/ ticket raising/ network monitoring etc. Bidder should ensure all required configuration and interface should be provided during the required integration to bank. This integration is to be implemented by the selected bidder at no extra cost to the bank. Bidder resources at Bank's NOC locations are also going to be trained by bank team/ Bank SI Team for the existing ticketing tool of bank for day to day operation. **At the time of integration of the links the bidder shall ensure all the parameters are configured as per the bank policies in coordination with Bank's tool team thereafter the reports from the existing network monitoring system shall be considered for uptime, penalty and SLA calculation. The payment for the services availed shall be processed based on SLA / Uptime reports from the bank's NMS/BMC tool only once it becomes operational and is integrated with Banks Network .**

5.38 The bidders should be capable of handling the required MPLS network for the entire contract period.

5.39 The commercials quoted by the successful bidder shall be fixed for 5 years. And bank at its discretion will place the new link order as per the required bandwidth on the commercials finalized in the process during the term of the project.

5.40 Devices/equipment's or any other materials required for implementation of the required solution not quoted by bidder in the bid, shall be supplied by the bidder only and no extra cost is payable by the bank.

5.41 Bidder has to submit the project plan to bank as per the scope of work defined in this RFP for project implementation before delivering the links within 15 working days from the date of award of the contract.

- a. The bidders should have capability to configure IPv6 traffic on MPLS VPN network as per the bank requirement at no additional cost to the bank, as and when the

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

bank decides to implement IPv6 in the bank's Network. It will be the responsibility of the bidder to ensure the network migration seamlessly and without any disruption to the bank business whenever Bank decides to migrate any/all applications, network on IPV6.

- b. The bidder should provide all security measures for bank's MPLS VPN network which should prevent against all kind of attacks like malware attacks, DDOS, IP spoofing etc.
- c. The bidder should ensure all IPsec (Advanced Encryption Standard) enabled traffic should flow in required MPLS network without any hiccups i.e. branch to DC or DR site and vice versa.
- d. The bidder should be able to change the routing protocol in their MPLS network cloud without any hiccups i.e. branch to DC or DR site and vice versa.

5.42 Bidder has to ensure all required licenses and certificates should be available from government authorities for delivering the wired or wireless links at bank branches/offices/DC and DR sites. **Bidder has to comply with the bank's information security policy for commissioning of links.**

5.43 The Bidder should have predefined traffic transport QoS (Quality of Service) parameters, which provide throughput, latency, packet loss, jitter commitments and application prioritization.

5.44 Bidder should ensure the round trip delay should not be more than 70 ms on wired link and 120 ms during on wireless link.

5.45 The bidder has to monitor the required MPLS network and bank will provide the restricted SNMP access to any of the bank's router subjected to compliance with the Bank's Security requirement. However bidder shall provide solution for providing pro-active monitoring of links without using SNMP trap from branch/offices router.

5.46 Even after this process, if links are not commissioned within the timelines as per the RFP, the order for those links will stand cancelled automatically and bank will opt to approach to other L2, L3, L4 (so on) bidder subject to requirement and acceptance of the lowest price(L1 rates) as per RFP terms and inline to Guidelines. If L1 is unable to commission the link within the timelines, then preference may be given(not mandatory) to those bidders whose links are live under the Second MPLS project 2019 irrespective of bidder's ranking (L2,L3,L4,L5 etc) at **Bank's own discretion** subject to matching the L1 rates. However, even if none of the bidders has been able to commission the link, then the order preference shall start again from L1, then L2, and so on.

- a. If the link at shifted location is declared/ reported non-feasible by existing service provider, in such cases, bank may take services of other bidders (L2/L3 and so on) subject to matching the L1 price at shifted locations. Such requirements will be sent to vendors (L2/ L3/L4 and so on) with condition to match L1 price. And if agreed, the

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

bidder has to convey and acknowledge the acceptance of such requirements with L1 price **within two weeks** time else offer will be canceled automatically and passed on to the next service provider according to their ranking. All terms and conditions will be as per this RFP process. Even After, if the link is not commissioned then link shall be procured as per extant procurement guidelines.

b. Bidder ensure the availability of required hardware/spare parts for restoration of branch/DC/DR/new DC/new DR MPLS link. The required hardware should be available within 24 hours from the incidence reporting or ticket logged. Bidder has to ensure the hardware availability irrespective the cause of damage and to meet branch business operation continuity.

5.47 Bidder should have adequate field engineers for restoration of links with skilled knowledge and prior experience. Bank's Branch or offices MPLS link should not remain isolated due to the requirement of Field engineer at any point of time.

5.48 Bidder shall provide **full escalation matrix up to VP level** of all verticals of their organization during the Bid submission. This escalation matrix is to be again reviewed by successful bidders and should submit to bank incorporating any changes in the matrix.

5.49 Bidders shall setup weekly meeting with bank officials till Project rollout or implementation. After implementation of complete solution, bidder has to ensure monthly review meeting with bank officials.

5.50 Bidders shall provide full support during involvement of additional communication technology or PoC in Bank MPLS network without any additional cost to the bank. The Bank can consider such solutions after concurrence from Bank's Security Team subject to meeting the SLA, Uptime and monitoring as per RFP.

5.51 Bidders should provide committed bandwidth as per this RFP or upcoming future requirement at identified locations. Required bandwidth should be available continuously. Bidder should provide visibility of committed bandwidth to bank.

5.52 Bidder should carry out Preventive maintenance (PM) for all ordered branches once in six months (**once in the quarter where Link uptime is below 95% during office hours**), and the preventive maintenance report should be properly sealed and signed by concerned branch officials along with dates and any remarks. These reports should be submitted to the bank Head Office and concern Regional Office team on periodic basis. During the contract period, if the bidder has not carried out the preventive maintenance in which the incident has occurred in the branch, the damaged equipments will be replaced by the bidder without any extra cost to the bank and any down time due to whatsoever be the reason (including earthing issues/ voltage issue and any infrastructural issue) for that site will be treated as non-compliance to uptime SLA and the selected bidder will be penalized accordingly as per this RFP. Bank will not pay any additional charges for such preventive maintenance visits.

5.53 The bidder shall provide the service, system spare parts and complete maintenance of the system for a period of not less than 5 years from the date of acceptance of each site, extendable on mutual agreement. The bidder shall submit an

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

undertaking letter to this effect along with the Qualifying & Technical bid, otherwise the bid is liable for rejection.

5.54 In future, bank may carry out design modification and/or application addition to the bank network, including modification for the security policy implementation. Accordingly vendor should carry out necessary configuration changes in the MPLS network, as advised by the bank time to time and no additional cost will be borne by the bank in this regard.

5.55 Bidder should not provide last mile network from BSNL or MTNL MPLS Network. Bidder should also ensure there should not be any integration of network with BSNL or MTNL.

5.56 Bank intends to deploy the MPLS solution at the branches as per Annexure - 01 on wireless and wired solutions as per business requirement and empanelment of TSPs (Telecom Service Providers) for upcoming requirements. Bank at its discretion may call bidders who are feasible for remaining locations as per eligibility criteria. The Bank at its discretion may provide orders for additional links or reduce the number of links also.

a. Since Bank needs to build MPLS network for the locations under this RFP, Bidders should consider the feasibility only on wired or stable wireless like Radio Frequency link (RF connectivity), 4G/5G solution or other new proven stable technology meeting RFP criteria.

b. In case of RF, the bidder will try and achieve feasibility through an antenna/pole of a height of up to **9 meters on rooftop and 12 meters from ground**, which will be at the bidder's cost. However, in case an antenna of greater height is required, specific reference per site, detailing reasons, needs to be made to the Bank prior to setting up such antenna/mast. The Bank will review such requests and can only consider the same if the site permission for such extended mast is available; however the bidder has to also bear the cost of such higher antenna/masts and related additional equipment. Bidder should ensure all required wire-less certificates or licenses from competent and government authority should be available before deploying such solutions in project. Any issues related to wireless licenses to be taken care by the successful bidders. External antennas should have proper lightening conductors.

5.57 As per regulatory and corporate compliance, the Bank may have to open new branches in every financial year. For all such locations where new branches are proposed for opening will be provided new link apart from the requested location under this RFP. The selected Bidder has to deliver the link as per the timeline mentioned under this RFP. All such new links will be under similar SLA and scope of work as mentioned locations under this RFP.

5.58 Bidder should ensure the availability of Uptime of all requested links as per SLA. The MPLS link procured by bank under this RFP should not be treated as Back- up MPLS link for existing working links under the branches. It may be possible that existing Primary MPLS links -if they become non-feasible/degradation of service/frequent downtime and complaints occur, Bank may terminate/Surrender the existing Primary link and ask for feasibility and rates from new vendors empanelled in this RFP. Bidder has to ensure

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

bifurcation of the traffic for the applications. At any point of time branch should have availability of both the links. Bidder has to comply with this requirement and have to provide necessary configuration for testing of link as active-active and also during failure

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

of one link all traffic should divert on other link and vice versa. **Bidder has to submit the declaration during the bid submission.**

- 5.59** Bidder shall configure the MPLS network as per the bank's QoS policy in coordination with bank's Facility Management Team. This feature should be available from day one of the project. In case no such policy exists, BOI policy will be taken as default and will have to be complied by the vendor into its solution.
- 5.60** The selected Bidder should comply with the Bank's IT and Information Security policy. **The best IT security practices that the Bank will be looking forward to be necessarily adopted are given in Format H.** These will have to be complied with during the pilot as well as in the rollout and during the contract and implementation should be acceptable to the Bank.
- 5.61** Bidder should provide one week minimum advance intimation to bank designated team for carrying out any maintenance activity in bidder network. Such activity should not be more than 3 hours on single occasion and bidder should ensure such activity should be carried out during lean business hours preferably between 01.00 AM to 04.00AM without impacting bank's business. Two activities in a year would be permitted by bank with a duration of one hour. Bidder should ensure availability of network after the completion of maintenance activity for all branches and offices. After completion of the activity bidder has to submit the activity report to bank designated team, such reports should state the availability of network for bank branches and offices.
- 5.62** The bidder should submit the details (complete address) of all MPLS PoP and RF PoP locations (Server through Traffic gets managed) during the bid submission. Bank deserves the right to visit PoP locations of the bidder. The bidder shall have to arrange such visits time to time.
- 5.63** All clearances, wherever required, in respect of the pole/antenna from any government/local/statutory bodies etc. like municipal corporations, airport authorities are the responsibility of the bidder.
- 5.64** It shall be the responsibility of the Bidder to configure the solution as per the Secure Configuration Document (SCD) of the Bank, fixing security vulnerabilities, mitigation of various audit points, VAPT points and taking prompt action on the advisories shared by the Bank at any point of time during the validity of the contract period.
- 5.65** Bidder shall ensure that all supplies (hardware, software etc.) must not be End of Support / End of Service and spares/upgrades should be available for at least 5 years from date of commissioning. If any commissioned/supplied hardware or software is declared End of Sale/End of Support by the OEM, then Bidder shall replace such equipments with its new or higher version without any extra cost to the Bank.
- 5.66** The Bidder shall depute adequate number of Field Engineers (FEs) at the ground level and near vicinity of centers / branches/ offices of the Bank for fast resolutions of the issues. The contact details of these FEs will be shared with the Bank. The FEs should be easily

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

reachable, particularly during the office hours of the branches/Bank.

- 5.67** Bidder should provide a system capable to send incident alerts through email to respective authorities. For example,
- On branch outage, alert should be sent to Branch Manager/RO IT/Bank Team.
 - For RO links outage, alert should be sent to in-charge RO IT/HO Team
 - For critical links, both E-mail alert and SMS alert should be sent to central monitoring team/HO Team along with other stake holders.
- 5.68** The Field engineers will preferably be full time employees of the vendor having diploma in computer science, IT, Telecommunications or equivalent/higher qualifications with at least one year domain expertise.
- 5.69** The vendor should have a clear Disaster Recovery and Business Continuity Plan in place for support services and should submit the BCP plan to the Bank. The period of submission of BCP plan and its implementation shall be within 60 days from the date of purchase order. The bidders shall ensure perpetuity of service by their team including changes in sites for DC/DR/new DC/new DR. In case the Bidder does not have ready business continuity plan, he should undertake to implement business continuity plan within two months from the date of issue of the first Purchase Order.
- 5.70** "Site Survey", "Installation Certificate", "In Operations Certificate" and "Acceptance report for successful commissioning/User Acceptance Testing (UAT)" must be maintained by the selected bidder for future reference like LD/Penalty Calculation. The formats would be finalized in consultation with the Bank. The selected bidder is also required to submit Proof of Delivery (POD) and Bill of material of all the equipment delivered at the sites specified by the Bank. This shall be one time activity and the date of successful commissioning of link as these documents shall be considered as the billing's start date.
- 5.71** **Acceptance by the Bank:** The MPLS Link shall be accepted from the date of installation and commissioning as mentioned on Installation Certificate. Bidder should submit the Installation Certificate report as per Format-I while claiming payment. Also during pilot test, bidder has to demonstrate the feature, quality, bandwidth utilization (upload/download) of each MPLS Link and encryption enabled and capabilities of all equipment supplied and installed by the selected bidder on MPLS Links, such as Hardware, Software and Network equipment. Bidder shall plan in advance the locations for which the Pilot test is to be conducted and inform the Bank. Bidder shall demonstrate all the features to Bank Officials for signing the Pilot test report. Bidder and Bank officials shall sign Pilot test document. Pending completion of acceptance tests, the bank reserves the right to use the system and such usage shall not be deemed as acceptance of the system by the selected bidder. Unsatisfactory performance in interconnectivity or integration or migration may result in the Bank's rejection of part or all of the system.

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

- 5.72** Bidder shall be responsible and comply with the preparation and processes of Bank's change management process.
- 5.73** The bidder shall arrange and ensure proper contingency plans to meet any unexpected obstruction to the service provider or any employees or sub-contractors of the service provider (as the bank may permit) in rendering the services or any part of the same under this agreement to the bank. The selected Bidder should ensure the last mile delivered at bank location should be preferably from selected Bidder own network or from other major Telecom Service provider with whom selected bidder has made arrangement. Such TSP should also to be on board by the selected bidder as per bank eligibility criteria only.
- 5.74** Bidder shall provide, without any additional cost to the Bank, adequate protection for the masts/pole/antenna like Platform/Monkey protection cage/Snow Shield/ other obstructions wherever necessary, to prevent disturbances to the alignment causing communications failure. Any other equipment which are not mentioned in this RFP but are required for making the branch/ office live on the network via wired/wireless link shall be provided by the selected bidder at no extra cost to the Bank.
- 5.75** Bidder should also advise one common corporate e-mail address for communication initiated by Head Offices of 3 Banks / Regional Offices / other Centers. The escalation matrix with email-ids should also be provided.
- 5.76** It has been observed that bidders are submitting quotation on basis of Desktop feasibility and are unable to commission the link once order is placed due to multiple reasons. To avoid this, **Bank encourages and advises bidders to provide the quotation on basis of L2 link feasibility done via site survey.**
- 5.77 Empanelment of telecom service providers (TSPs) for existing and new links for procurement of Second MPLS Network for branches/offices**
- 5.77.1** Aryavart Bank also intends to empanel the service providers among the selected bidders based on the feasibility of all sites and eligibility as per RFP for all three Banks. Bank intends to empanel the vendors for the contracted period of the project for procurement of MPLS Links for all branches/offices of Bank (All 3 Banks). Bank reserves the right to accept or reject proposals from the current empanelled vendors, who have not participated in the procurement process at its own sole discretion. **The bank will review the performance of empanelled bidders on year to year basis, bank at its own discretion may cancel their empanelment in the bank if it is not satisfactory.**
- 5.77.2** For empanelment in the bank for future requirement under this project, bidder should be eligible, technically qualified and responsive as per this RFP. For upcoming

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

additional /new requirement bank may invite quotes from empanelled vendors and process for individual site.

- 5.77.3** The empanelment will be in force initially for contract period (subject to review on year to year basis) from the date of notification of empanelment to the successful Bidder. The Bank may, at its sole discretion, extend the currency of the panel further. The Bank reserves the right to scrap the panel at any time, without assigning any reasons there for. The Bank's decisions in this regard shall be binding and final.
- 5.77.4** During the currency of the panel, whenever the Bank desires to procure any of the indicated links for the branches/offices, all/some of the empanelled vendors, depending upon the availability of service support at/nearer to the locations where the commissioning of link is desired, would be invited to submit quotations and the vendor who had offered the best terms, as per the Bank's evaluation, would be awarded the Purchase Contract. Such quotations may be invited only by each Bank's Head Office, and not any of their Regional Offices.
- 5.77.5** Provided that an empanelled vendor, who do not participate in the tender process or whose reputation and/or conduct of business as per the laws of the land and/or record of supply/installation/service had changed adversely after empanelling, and/or if after having been awarded any Purchase Order by the Bank, the vendor had not fulfilled its commitments of supply/installation/service to the satisfaction of the Bank (in respect of any Purchase Order/Contract awarded by the Bank), and/or for such other/similar reasons, its name may be deleted from the panel and it would not be invited to submit price quotations thereafter or the bid if submitted by such vendor shall not be considered for evaluation. The bank's decision in this regard shall be final and binding on all the empanelled vendors.
- 5.77.6** Notwithstanding the empanelment and/or any provision contained herein, the Bank reserves the sole right to invite price quotations from any/all/none of the empanelled Suppliers.
- 5.77.7** In particular, in case of bulk purchases exceeding a value as may be decided by the Bank at its sole discretion, and/or in case of procurements being effected in compliance of guidelines of multi-lateral agencies and/or in case of procurement being effected under National/International Competitive Bidding norms and/or in case of procurements being effected of hardware/software peripherals which, in the opinion of the Bank, are of specialized nature or for the specialized projects in such cases the Bank may initiate a separate open tender/procurement process independent of the said empanelment.
- 5.77.8** During evaluation of the Bids, the Bank, at its discretion, may ask the Bidder for clarification of its Bid. The request for clarification and the response shall be in writing, and no change in the substance of the Bid shall be sought, offered, or permitted.
- 5.77.9** Prior to the detailed evaluation, the Bank will determine the substantial responsiveness of each Bid to the Bidding Document. For purposes of these Clauses,

a substantially responsive Bid is one which conforms to all the terms and conditions of the Bidding Document without material deviations. Deviations from, or objections or reservations to critical provisions, such as Performance Security, Applicable Law, Validity period of the price quotation, Qualification Criteria, Warranty and Force Majeure will be deemed to be a material deviation. The Bank's determination of a Bid's responsiveness is to be based on the contents of the Bid itself, without recourse to extrinsic evidence. The Bank would also evaluate the bids on technical parameters including possible visit to inspect Bidder's/Supplier's facilities. In such case the entire cost of inspection, including boarding, lodging, travelling, incidental expenses of the Bank's representative and/or Bank's Consultant shall totally be borne by the supplier for the complete duration of the inspection.

5.77.10 Subsequent to empanelment, it is expected from the empanelled vendors to participate in the Quotations/Tender Process initiated by the Bank (Aryavart Bank Head Office) for procuring items as mention in price proposal where the vendor is having their Head/Regional/Zonal Offices as also direct service support centers or service support through its franchisee.

5.78 Post-qualification

- a. For each purchase subsequent to empanelment, the Bank will invite Price Quotations from the empanelled Suppliers and proceed with the selection of L1 Vendor as per the extant guidelines or as the terms mentioned in this RFP.
- b. The size of the lot will be decided by the Bank at its own discretion and shall be binding on the empanelled Suppliers. All the price bids after their evaluation on the parameters mentioned in the price quotations/RFP terms would be arranged in descending order and the contract would be awarded to the bidder whose bid has been evaluated to be the lowest.

5.79 Award Criteria

- a. The Bank will award the Contract to the successful Bidder, out of the Bidders who have responded to Bank's Invitation for Quotation/RFP as referred above, who has been determined to qualify to perform the Contract satisfactorily, and whose Bid has been determined to be substantially responsive, and is the lowest evaluated Bid.
- b. Bank may place Purchase Contract with Bidder for Wired or RF or 4G/5G based on Bank's requirement.
- c. However, the Bank also reserves the right to distribute the orders depending on the procurement/project as would be enumerated in RFP.
- d. The Bank reserves the right at the time of award of contract to increase or decrease, by ascertaining percentage as enumerated in RFP of the quantity of goods and services originally specified while floating the Invitation for Quotation, in the Schedule of Requirements without any change in unit price or any other terms and conditions.

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

- 5.80** The Bidder should furnish a brief write-up, backed with adequate data, explaining its available capacity and experience (both technical and commercial) for the required items/units within the specified time of completion after meeting all its current commitments. The Bidder should clearly confirm that all the facilities exist in his factory/service center/business premises for inspection and testing and these will be made available to the Bank or its representative for inspection.
- 5.81** The empanelled vendor is expected to participate in all the Quotation/Tender processes initiated by the Bank. In case, any of the empanelled vendor do not participate in the tenders floated by the Bank from time to time, the vendor shall have to pay to the Bank an amount of Rs.5000/- for 1st NON-Participation, Rs.10000/- for 2nd NON-Participation and will be liable to be excluded from the panel for 3rd NON-Participation. The Bank can adjust such amount in upcoming payments.
- 5.82** The empanelled bidder should comply all the terms and conditions mentioned in this RFP in terms of delivery timelines, SLA/uptime, liquidate damages and shifting/diversion of links.
- 5.83** The selected Bidders shall take all steps to ensure safety of their personnel and also the bank's personnel during execution of the contract and also be liable for any consequences due to omission or act of the selected bidder or theirs sub-vendors. It is the responsibility of the bidder to obtain clearance from applicable Government authorities/ Statutory/Regulatory Bodies and local bodies, if required.
- 5.84** The Bidder shall provide technical consultancy and guidance for successful operation of the MPLS connectivity and its expansion and up gradation in future by the Bank under the scope of the RFP. The Bidder shall provide all other required equipment's and services, whether or not explicitly mentioned in this RFP to ensure the intent of specification, completeness, operability, maintainability and upgradeability of the network.

6. Technical Requirement

NOTE: Detailed technical specifications are mentioned in Format B of this RFP which is to be submitted along with the Qualifying & Technical bid. Bidder shall indicate the compliance of the specification stipulated in Format-B.

Bank intends to procure MPLS Network from Established Telecom Service Provider other than BSNL or MTNL to build redundancy in connectivity for their (Aryavart Bank, MPGB and VKGB) branches or offices. Bidder has to provide Layer 3 MPLS VPN link for the branches or offices as per required bandwidth. Bidder has to create dedicated Layer 3 MPLS VPN Network for Bank with High availability. At present bank is having most branches or offices connected on BSNL MPLS Network with various (2 Mbps/4 Mbps) Bandwidth to DC and DR locations. All branches are simultaneously connecting to DC and DR site at any point of time. Branches or offices are required to access applications hosted at DC or DR site on continuous basis. If a branch has to access application at DR site and then it will go

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

directly to DR site instead of coming at DC site. Importantly to note that recently, our Sponsor Bank(Bank Of India) has procured two new data centre sites i.e. DC Mahape and DR Yotta Colocation sites. As these sites are also required to be established, there is requirement of additional backhaul links wherein branches can communicate to these two new sites also in addition to existing DC and DR. All the backhauls should be provided without any extra cost to the bank.

Bidder has to provide the seamless MPLS VPN Network for branches where branches can have the portability to connect any sites i.e. any to any configuration should be available in MPLS VPN Network. In case of failure of Existing BSNL MPLS Link at branches, the branch traffic should be diverted to second MPLS Network to reach DC or DR site without manual intervention. After restoration of Primary MPLS Network it should be auto diverted to Primary MPLS network. Bidder should provide committed bandwidth for all required sites and the bidder should be able to demonstrate the same and bank should have visibility and bidder should ensure this traffic should reach to DC and DR sites without any issues. All sites should have gone through testing as per Installation Certificate - Format I for successful commissioning and acceptance.

6.1 Network Management System:

The bidder should have a complete Network Management System (NMS)/Tool for monitoring all the circuits, remote terminals, and Band Width management should support the network. Complete network shall be software configurable and up-gradable under on-line conditions from the NMS. All Links have to be monitored on Real time basis through bidder's NMS tool which should be accessible from the banks WAN at DC/DR location by bank team at any point of time. Bidder has to advise the portal to bank for reviewing the all connected MPLS Links for bandwidth utilization (upload/download), down-call, and incidence reported, fault ticket status, fault ticket logging etc. Bidder should ensure all Links should be monitored Pro-actively i.e. as and when Link went down a fault ticket has to be created by the bidder NMS automatically and alert should be given to bank's team or designated bank officials by e-mail and SMS. The bidder shall provide service support at all ordered locations.

All report related to the calls should be available from the Bidder NMS system for site wise. Bidder has to ensure the required customization should be done as per Bank requirement in there NMS tool for monitoring and reporting. At present the bidder NMS tool should be capable of showing branches MPLS Link status with color coding and should be grouped as per bank region classification with specified branch unique code or branch code/SOLID. Bidder should ensure all required reports which has to be submitted to bank must have zone name, branch name and branch code with other required details. Bank will provide these details during the order placement for each branch.

Bidders NMS tool should have Real time dash board showing summary of the network like number of up and down branches, and links in form of pie chart, bar graph and

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

percentage etc. or as advised by bank. Bidder should provide the services on monitoring tool to extract information branch wise/zone wise/entire locations.

The NMS screen is required to be accessed by Bank personnel from the Bank's project office, BOI DC and BOI DR Site, for online monitoring of remote MPLS Links sites and for viewing the reports related to MPLS Link network usage, performance, uptime etc.

NMS should support monitoring, control and configuration of the entire network means of user friendly Graphical User Interface.

The NMS should have necessary security features for management, administration and operation.

The NMS of the selected bidder to be integrated seamlessly with the Bank's NMS/upcoming NMS through BMC. All aspects of monitoring related to the utilization, downtime, packet loss, latency etc. should be integrated seamlessly.

Bidder has also to follow the Bank ticketing tool (**as per clause 5.37.d**), where all branches are pro- actively monitored. **Bidder team shall ensure end to end SLA Management (through automatic/manual ticketing in Bank NMS and ticketing tool) for every fault booking of applicable sites to bidder's team placed onsite/offsite.** Bidder's team has to work on all such calls and do the required troubleshooting of the links as per scope of work of this RFP. If bidder team found link is ok and suspecting hardware issue then bidder team has to provide such update on generated fault ticket within 15 (fifteen) minutes from the time ticket has been assigned. Bidder should also follow their NMS tool for SLA. All required reports under this RFP has to be submitted by the bidders own tool. Bank will arrange the required training or knowledge transfer for the bank tool to bidder's team placed at DC.

NMS should have different levels of password protection for system administration, management and operation etc. It should be SNMP compliant.

The following aspects of network management should be addressed:

- Performance Management
- Fault Management

The Network Management System should provide the following facilities a 24 X 7 X 365 basis:

- Monitoring network status
- Fault diagnosis and display of alarm
- Support for SNMP
- Provide appropriate and adequate reports for monitoring and management of the entire MPLS network including site wise.

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

6.2 Network Security Controls:

- The Network should adhere to the following security aspects:
Strong Authentication for data transfer between Outdoor Unit (ODU) at branch/office and Outdoor Unit (ODU) at the Base Station.
- Branch to DC IPSEC tunnel for data confidentiality. As financial transaction shall travel through the network, a fully secured (IPsec/3DES encryption or suitable encryption) network shall be provided by the bidder.
- Segregation of Bank's - MPLS network from other customers. If total physical segregation is not feasible, network level access controls including firewalls and router based access control should be implemented to ensure that there is adequate logical separation between Aryavart Bank Network, MPGB Network and VKGB Network and other systems/networks at the bidder MPLS cloud.

If required, the IPSEC tunneling shall be through a Router provided & managed by the Bank at the remote site or from a server at the remote site. At present all branches traffic is working on IPsec 3DES/AES encryption format between branch to DC and DR sites and vice versa, bidder should ensure this traffic should reach to DC and DR sites without any issues.

The Bank will have the right to conduct post-implementation audits of the Bidders Network to ensure that the security controls are in place along with their Information Security Team.

6.3 Business Continuity Plan and Disaster Recovery Plan

Bidder shall develop, establish and immediately put in place a robust framework for documenting, maintaining and testing Business Continuity Plan (BCP) and Disaster Recovery Plan (DRP) commensurating with the nature and scope of the outsourced activity as per extant instructions issued by RBI from time to time on BCP/ DR requirements.

Bidder is aware and agree that in establishing a viable contingency plan, Bank shall be within its right to consider the availability of alternative service providers or the possibility of bringing the outsourced activity back in-house in an emergency. This shall not in any way relieve the Bidder from its obligations unless the bank specifically discharges the Bidder from any obligations in writing. The Bidder shall not be entitled to fees/charges for such period/services and advance payment if any made by the Bank related to such period shall be returned by the Bidder to Bank.

6.4 Information Security:

The Bidder and its personnel shall not carry any written material, layout, diagrams, floppy diskettes, hard disk, storage tapes or any other media out of Purchaser's premise without written permission from the Purchaser.

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

The Bidder personnel shall follow Bank's information security policy and instructions in this behalf. In case Policy is not available- Current Sponsored Bank's Policies have to be followed wherever applicable.

Bidder acknowledges that Purchaser's business data and other Purchaser proprietary information or materials, whether developed by Purchaser or being used by Purchaser pursuant to a license agreement with a third party (the foregoing collectively referred to herein as "proprietary information") are confidential and proprietary to Purchaser; and Bidder agrees to use reasonable care to safeguard the proprietary information and to prevent the unauthorized use or disclosure thereof, which care shall not be less than that used by Bidder to protect its own proprietary information. Bidder recognizes that the goodwill of Purchaser depends, among other things, upon Bidder keeping such proprietary information confidential and that unauthorized disclosure of the same by Bidder could damage Purchaser. By reason of Bidder's duties and obligations hereunder, Bidder may come into possession of such proprietary information, even though Bidder does not take any direct part in or furnish the Services performed for the creation of said proprietary information and shall limit access thereto to employees with a need to such access to perform the Services required by this Contract. Bidder shall use such information only for the purpose of performing the Services.

Bidder shall, upon termination of this Contract for any reason, or upon demand by Purchaser, whichever is earliest, return any and all information provided to Bidder by Purchaser, including any copies or reproductions, both hardcopy and electronic.

Bidder shall provide certificate/assurance from application providers/OEMs that the application is free from embedded malicious / fraudulent code."

7. DC, DR, new DC, new DR Backhaul Links:

Separate set of backhaul links are to be provided by bidder for branches for DC, DR, new DC and new DR free of cost.

Recently our Sponsor bank, Bank Of India -has procured two new data centre sites i.e. DC at Ctrl S Mahape and DR at Greater Noida Yotta Colocation sites. As these sites are also required to be established, there is requirement of additional backhaul links wherein branches can communicate to these two new sites also in addition to existing DC and DR without any extra cost to the bank. Initially all these backhaul will run in parallel setup and Bank will intimate the bidder before migrating from old to new location. Bidder has to bear all cost- end to end for providing parallel connectivity at new DC and DR Sites without any additional cost to Bank on Wired Multi Mode Fiber media-SR mode.

Bidder should ensure link level redundancy, PoP level redundancy, service provider level redundancy while providing the backhaul at DC, DR, new DC, new DR site. Bank will only provide sufficient space and power for the installation of MUX if any at DC, DR, new DC, new DR site. Bidder has to provide sufficient battery backup for their installed

equipment at DC, DR, new DC, new DR sites and which should be last for 1 hour minimum. Bidder has to commission two backhaul links at DC, two at DR, two at new DC and two at new DR sites for branch locations. Secondary backhaul has to be commissioned with last mile from alternate service providers, excluding BSNL and MTNL). **The delivery time will be eight weeks from the date of award of contract to the successful bidder for Primary backhaul and Secondary backhaul links at DC, DR, new DC, new DR on the Bank provided CPE Router. Backhaul links should be terminated in bank premises (DC, DR, new DC, new DR sites) on routers (in High Availability mode) provided by the bidders within Sixteen weeks from the date of award of contract.** It is the responsibility of bidder to carry out all required internal cabling till the routers provided by bidders. Cabling should be neat and clean with proper tagging and duct by the bidder without any additional cost to the bank. Bidder has to coordinate with bank System Integrator of Facility Management Team for successful link delivery with tested load as specified in Clause 6 of this RFP. Bidder should give utmost priority for commissioning of Backhaul links simultaneously to achieve delivery of links at branches or offices. Delay in commissioning of Backhaul links will attract applicable Liquidate Damage as per the Clause 9 of this RFP. In case if bidder providing any rack for installing mux, bidder should take prior approval on rack specification before installing the rack.

The bidder has to provide the utilization of Backhaul Links and per site Bandwidth on real time basis. The bidder has to ensure the traffic of DC/DR/new DC/new DR should flow through respective DC/DR/new DC/new DR Backhaul Links only. All remote locations or branches are accessing the applications hosted at our DC, DR, new DC, new DR sites on active mode. Bidder should ensure the branch traffic which is having destination for application hosted in DC should flow through DC backhaul link and similarly the branch traffic which is having destination for application hosted in DR should flow through DR Backhaul link only and so on. In case of any backhaul link failure the active backhaul link has to cater the traffic which is generated from a branch location. Bidder has to submit the supporting evidence as and when bank will ask for the above traffic flow.

C. Support, Agreement & Documentation

8. Maintenance support

- a. Bank is procuring MPLS network to build redundancy in their WAN network for connected branches or offices. Bidder has to provide Pro-active maintenance support for all links provided by them. Bidder has to provide resources for 24x7x365 at bank's location as specified in **Clause 5.32** of this RFP. All links has to be monitored on Real time basis through bidder's NMS tool which should be accessible from the banks WAN at DC/DR/any other location by bank team at any point of time. Bidder has to advise the portal to bank for reviewing all the connected links for bandwidth utilization, down-call, incidence reported, fault ticket status, fault ticket logging etc. The Bidders portal should have facility to provide required SLA reports also in MS-EXCEL format and further customization feature should be available for analysis. Bidder should ensure all links should be monitored Pro-actively i.e. as and when link went down a fault ticket has to be created by the bidder NMS automatically and alert should be given to bank's team or designated bank officials

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

by e-mail and SMS. The bidder shall provide service support at all ordered locations. The bidder shall ensure a response and restoration of the connectivity as per below mentioned time-lines:

For Metro Branches/offices: Restoration of links should be done within 4 hours from the call logging including travelling time. Response time is 30 minutes from the call logging.

For Urban or District Headquarter branches/Offices: Restoration of links should be done within 8 hours from the call logging including travelling time. Response time is 60 minutes from the call logging.

For Semi Urban and Rural Branches/Offices: Restoration of links should be done within 12 hours from the call logging including travelling time. Response time is 60 minutes from the call logging.

- b. The above MTTR is applicable from the time call logged in Bidder NMS for down sites or logged by bidder engineer placed at bank DC location. The bidder shall furnish list of their service/support center along with contact person, contact nos. and address. The bidder shall specify the availability and details of Technical expertise (personnel) and adequate stocking of spares, including the antenna for each of the location. Irrespective of the reasons that caused damage to the equipment, the bidder should ensure that the connectivity is restored within the stipulated time mentioned above by replacing the damaged parts. Non availability of damaged parts (even MPLS antenna and other accessories) at the service locations cannot be considered as force majeure and appropriate penalty shall be levied as per the uptime requirement mentioned in this RFP.
- c. Locations (Excluding DC, DR, Critical locations such as Service Branch/Regional offices for which urgent support is required) which are isolated in night (i.e. after 11.00 PM) should be attended by the Field engineer next day morning before the start of the branch operations, and bidder should take all necessary steps for restorations of such locations before the start of branch business hours. Bidder has to submit the declaration in writing advising the strength of field engineers along with their hierarchy across the country. Bidder should ensure availability of engineers in the branches or offices well on time and make all possible efforts to restore the links before starting business hours of the branches.

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

- d. Only licensed copies of software shall be supplied and ported on the devices commissioned for MPLS connectivity. Further, all software supplied shall be of latest version.
- e. Bidder should not take more than one hour for remote troubleshooting of the links. If a link is down or non-working due to branch router issue or any hardware failure or any infra issue at branch end, bidder should ensure such information should be assigned to concerned team by e-mail or in writing within two hours from the reported incidence.
- f. Bidder should be able to configure Quality/Class of services (COS) in the MPLS Network as asked by bank and at no extra cost to the bank. Bidder should ensure all applications should be accessible through IPsec in required MPLS Network for all locations. Presently SDWAN setup is being established in Bank(Under Process)
- g. **Bidder has to provide all kind of reports which are going to be used for SLA calculation in a mutually agreed format viz. Bandwidth utilization report of any site at any point of time, down-call report with complete details** etc. Bidder has to pro-actively share the bandwidth utilization report of all branches where utilization is beyond 70% on weekly basis after due diligence from their end. **Bidder should ensure all such SLA reports should be available from the bidders NMS portal.**
- h. Bidder should ensure all required hardware used for link commissioning, delivery and maintenance should be new and under proper warranty with respective OEM. Bidder should have all required licenses from the OEM for deploying such products for bank requirements. Non-compliance of same will be the full responsibility of successful bidder only.
- i. Bidder should take all preventive measures to protect MPLS Network deployed for bank from any kind of vulnerabilities, which are released on time to time basis globally. Bank has full rights to ask the confirmation from the successful bidder in writing for prevention from such vulnerabilities.
- j. Bidders monitoring tool should have Real time dash board showing summary of the network like number of up and down branches, and links in form of pie chart, bar graph and percentage etc. or as advised by bank. All terminated links at bank locations should be available on the bidder's portal including backhaul links. Bidder should provide the services on monitoring tool to extract information branch wise/zone wise/entire locations. Bidder's monitoring tool should have customization facility as per bank requirement. The bidder will make necessary customization for the bank to provide monitoring portal to bank's location with read and download privileges to the designated users of the bank, these numbers may be around 200 or more.

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

- k. It will be the responsibility of the bidder to submit SLA reports or exception reports to the bank including the downtime penalty calculations. Nonetheless the data of the Bank's System Integrator will be treated as final in this regard. However, on justification the bidder has option to ask for the Bank's SI data and to represent in case of any major discrepancy. The bank reserves the right to examine such request on merit.
- l. The bidder has to organize below mentioned Project Review meeting with strict scheduled as mentioned below.
 - i. Weekly Review meeting at Bank's designated central location for the rollout and implementation progress.
 - ii. Monthly Review meeting at each Bank's Head Office location for the rollout and implementation progress. This meeting will be recurring till the installation of all proposed sites.

8.1 Branches or Offices links:

- 8.1.1 Bidder has to specify the complete requirement to the concerned branch for commissioning of the required link in writing. All required links at branches or offices should be commissioned and tested within the timelines as specified in clause 8.3 from the date of award of contract to the successful bidder. All link testing as specified in clause 6 of this RFP should be done by the bidder in coordination with bank system integrator and facility management team. It is the responsibility of bidder to complete the required link testing for declaring the successful link commissioning. Testing is the responsibility of bidder and link will be accepted only after the successful testing. All required hardware for commissioning of the links at branches or offices should be delivered by the bidder at concerned location within the mentioned timeline only. Delay in link commission due to non-availability of required hardware is the responsibility of bidder only. At present all branches or offices are working on Primary MPLS network, so required power and space is available at all locations.
- 8.1.2 The successful bidders shall provide connectivity to all ordered locations. The bidders have to endeavor to make all ordered for locations feasible by expanding its reach/infrastructure, wherever necessary.

8.2 Shifting of branches or offices link:

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

- 8.2.1** After receiving the intimation from bank in letter/shifting order or by way of e-mail, bidder has to shift the requested link from old location to new location after ascertaining the feasibility at new location within **Three weeks (including feasibility at new location)**. Bank may further place the order (beyond above mentioned figures) for link shifting as per the necessity and bidder has to shift the link as per the above mentioned timelines. **Shifting charges shall be 1 month rental**. If Link is to be shifted in same premises, no shifting charges shall be payable (Eg when shifting is from one floor to another of same building OR to a different location on same rooftop etc). **NO shifting charges shall be payable for Backhaul Links (and TSP provided router, if applicable) at DC, DR, new DC and new DR even if the shifting is done to different premises.**
- 8.2.2** During the course of shifting, if the branch has been initially commissioned with Wired/RF link but after shifting to new premises it is reported to be non-feasible, in such scenario, bidder has to commission the link on an alternate medium via 4G/5G technology. The price for such amended connectivity (4G/5G) will be as per the discovered L1 rate for 4G/5G connectivity during this tender process.
- 8.2.3** The Bank reserves the right to migrate a Branch and Office (covered under this RFP) to some other technology (that may be provided by some other service provider) at any stage during the contract period. In such cases, the selected bidder has to ensure the shifting and commissioning of the given link at any other feasible site as specified by the Bank.
- 8.2.4** The selected bidder shall be responsible for the preparation of “Change Management Process” document for the Bank wherein the entire process/procedure shall be defined pertaining to various activities involved during the tenure of the contract including, but not limited, to the following:

8.3 New Link commissioning as per future additional requirements: Subject to discretion of each individual Bank(Aryavart,MPGB,VKGB)

New Link commissioning: Apart from the attached list of branches in this RFP, Bank may place the order for new links for their branches/offices/locations during the validity of the project. Bank will share such locations' address with the empanelled bidders for feasibility and commercials, **bidder's team has to confirm the feasibility and commercials of such locations to bank team in two weeks' time, failing which, the offer for those new locations shall stand cancelled for the bidders who do not respond**. Thereafter, based on the commercials obtained, order shall be placed to the Lowest (L1) bidder for the new locations.

Commissioning of all the Backhaul links at DC/DR/new DC/new DR for branches: The delivery time will be eight weeks from the date of award of contract to the successful bidder for Primary backhaul and Secondary backhaul links at DC, DR, new DC, new DR on the Bank provided CPE Router. Backhaul links should be terminated in bank premises (at DC, DR, new DC, new DR sites) on routers (in High Availability mode) provided by the bidders within Sixteen weeks from the date of award of contract. After selection based

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

on L1 criteria, Bank will issue the necessary PO for new links and bidder has to carry out the site survey within a week time from the date of PO. The required new link will be commissioned at location within the below mentioned timelines from the date of award of PO. The link will be treated as successfully commissioned after the required testing as specified in clause 6 of this RFP. Delay in commissioning of links will attract the LD as mentioned in clause 9 of this RFP.

All terms and conditions including scope of work will be same as per the old links which are ordered under this RFP for new links. Bidder should ensure the delivery of new links should be done as per the requirement raised by bank, as these locations are to be opened or made LIVE in a framed time only, to meet the regulators and corporate goals requirement. The Bank has the right to place order for any of its existing branches / offices in India or any branch / Office which might be opened in future till the tenure of this project. All requirements of additional and new links will be procured from the empanelled bidders selected through this empanelment Process.

The project timelines for consolidated purchase order is mentioned below.

No of Links	Delivery/Commissioning timelines	Auto cancellation of PO (after)
Links upto 300	8 weeks	10 weeks
Links more than 300 and upto 500	9 weeks	11 weeks
Links more than 500 and upto 750	11 weeks	13 weeks
Links more than 750 and upto 1000	13 weeks	15 weeks
Links more than 1000 and upto 1500	15 weeks	17 weeks
Links more than 1500	17 weeks	19 weeks

*Delivery/Installation/Commissioning timeline will start from the date of purchase order.

The selected bidder shall nominate a Project Manager (Common for Each Bank) immediately on acceptance of the order, who shall be the single point of contact for the project at Mumbai and other locations for any escalations which includes payment related tasks also. However, for escalation purpose, details of other persons shall also be given. The project manager nominated by the bidder should have prior experience in implementing similar project and should have knowledge of project management. The project Manager should visit/meet through VC at Bank's central office at least once in a week for meeting throughout the contract period. In case in future there is requirement to have separate Project Manager for each RRB due to change of Sponsorship-Bidder will have to comply with Bank's request.

8.4 Link Upgradation:

After receiving the intimation from bank by way of letter or e-mail, bidder has to upgrade the requested location bandwidth as requested. Link upgradation activity should be completed within **two weeks** from the intimation given by bank, failing which, LD shall be applicable as per the relevant clauses of the RFP. Bidder has to ensure required hardware should be available at branch end for bandwidth upgradation in mentioned

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

timeline only. Bidder should not charge any extra cost towards link upgradation, bank will only pay applicable bandwidth charges from the date of enhanced bandwidth of such locations as per the commercials submitted by the successful bidders.

Successful bidders should note that commercials for upgradation of links will be as per the Table-B of Format-G (a) of this RFP. These commercials will be applicable till the tenure of the project.

9. Liquidate Damages (LD):

9.1 Time is the essence of the contract. If the bidder fails to complete the commissioning as per clause 8.3 of this RFP, the bank shall impose Liquidate Damages as mentioned below:

- a. For Branches or offices links (Including new wired or wireless as RF or 4G/5G link commissioning): a sum **Rs. 150/- (Rupees one hundred and fifty) per day per site** will be applicable for the delay. LD for delay in delivery of links in branches will be capped at **5%** of the contract value of ordered location/site. At the maximum cap bank may consider termination of contract.
- b. For DC/DR/new DC/new DR Backhaul links: LD for delivery of backhaul link will be capped **at Rs 500/- per day** till the validity of 1st Purchase Order issued under this RFP process. In case there is delay in commissioning of the Link on bidder provided router over and above the mentioned timelines in clause 8.3, LD amount at Rs 150/- per day per router shall be applied with capping at Rs. 12 Lakh.

9.2 Liquidated Damages on non-upgradation - If the bidder fails to upgrade the link as per timelines under this RFP, the bank shall impose Penalty of Rs.100/- (Rupees One Hundred only) per day per site. LD for delay in upgradation of links in branches will be capped at 5% of the contract value of ordered location/site.

9.3 Liquidate Damages on non-shifting of link - If the bidder fails to shift the link as per timelines under this RFP, the bank shall impose Penalty of Rs.100/- (Rupees One Hundred only) per day per site. LD for delay in shifting of links in branches will be capped at 5% of the contract value of ordered location/site.

9.4 The bidder has to depute onsite engineers/Team Lead (as per **clause 5.32**) within 5 weeks from the date of initial PO. If engineer/ Team Lead or backup engineer/ Team Lead is not available on any day during contract period (after 5 weeks from the date of initial PO) then penalty of **Rs. 500/-(Rupees Five Hundred Only)** per engineer per day will be levied.

9.5 All the above LDs are independent of each other and are applicable separately and concurrently. **However, the maximum cap on all the above LDs shall be 5% of the total rental charges for the whole contractual period of 5 years of ordered sites.**

9.6 LD is not applicable for reasons attributable to the Bank and Force Majeure. However, it is the responsibility/onus of the bidder to prove that the delay is attributed to the Bank

and Force Majeure. The bidder shall submit the proof authenticated by the bidder and bank's official (Conveying the delay is attributed to the Bank and Force Majeure), at the time of requesting rental payment. If the bidder fails to produce proof from Bank's officials for delay in installation and commissioning, if any, the date of installation shall be taken for calculating the delay for LD purpose. Any delay occurred in compliance to procedure or obtaining of necessary permits/license for importing of the equipment's /movement of the equipment's to the ordered sites will not be categorized under Force Majeure.

10. Service Level Agreement (SLA) Terms and conditions:

The uptime report should be fetched from bidder supplied NMS tool and should be submitted to Bank while claiming the payment. Bidder shall indicate call log-in procedure, preventive break down/corrective maintenance during the contract period. The "Uptime" is equal to the Total contracted hours in a month less Downtime. The "Downtime" is the time between the Time of Failure and Time of Restoration within the contracted hours. "Failure" is that renders the bank unable to perform any of the defined functions on the MPLS Link. "Restoration" means the MPLS Link is in working order and the Bank acknowledges the same. The uptime will be calculated per MPLS Link on monthly basis.

Log book shall be maintained by the Bidder at each MPLS location for recording details such as date and time of failure, nature of failure, time of reporting, time of restoration, details of repair, acknowledgement by the bank that the failure is rectified, signature of both bidder and bank. Log book shall also be maintained for recording failure on the part of UPS and earthing. Bidder should maintain Master Tracker of link w.r.t. commissioning, upgradation, surrender, etc. All these trackers along with uptime report shall be shared to bank on weekly basis and/or as and when required by the bank.

10.1 Backhaul links:

The monthly UP Time of Backhaul links (primary & secondary) combined uptime should be 99.90% at each location. The uptime requirement shall be separate for DC/DR/new DC/new DR locations.

The percentage uptime is calculated on monthly basis as follows:

$$\frac{\text{(Total contracted hours in a month – downtime hours within contracted hours)}}{\text{Total contracted hours in a month}} * 100$$

MTTR (Mean Time To Respond) for Backhaul links should be Fifteen minutes and restoration time should be thirty minutes.

SLA Calculation: If the uptime is below **99.90%**, the Bank shall deduct a penalty from the Bandwidth Charges , which will be @ 1% of cost of monthly rental of all commissioned sites for every **0.01%** or part thereof of reduction in the uptime. **(maximum to 100% of monthly rental payment of all the commissioned links under this RFP)**. However, if uptime is less than **98%**, the Bank shall levy penalty and shall have full right to terminate the contract as these links are critical links on which all branches or offices are connected.

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

10.2 Branches/offices wired/wireless links:

The monthly uptime for branches /offices links should be 99.50% per site. The percentage uptime is calculated on monthly basis as follows:

$$\frac{\text{(Total contracted hours in a month – downtime hours within contracted hours)}}{\text{Total contracted hours in a month}} * 100$$

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

Total contracted hours in a month MTTR should be as per clause 8 for branches/offices links. SLA Calculation: If the uptime is below **99.50%**, the Bank shall deduct a penalty from the Bandwidth Charges, which will be @ 1% of cost of monthly rental per location/site **for every 0.1% or part thereof of reduction in the uptime(maximum to 100% of monthly rental payment of all the commissioned links)**. However, if uptime is less than 90%, the Bank shall levy penalty and shall have full right to terminate the contract.

10.3 SLA Calculation for the branches commissioned on alternate solution (4G/5G):

1. Services on alternate connectivity solution (such as 4G/5G) shall be provided as per industry standards. The Bidder shall ensure maximum availability and uptime of such alternate connectivity solutions to avoid outages due to no-connectivity.
2. Bank shall make payment for the duration for which services are availed by the bank and the link is observed as working at the respective branches, i.e. if uptime is 80%, then bank shall pay 80% of the monthly charges only.
3. If the link is observed as down for more than 15 days in a month (uptime is less than 50%) then Bank shall deduct the entire month bandwidth rental charges for such links for that month.

10.4 Bidder has to submit RCA report for every major incidence within 14 days of the reported incidence. If bidder fails to submit the RCA report as per above mentioned timeline, the Rs. 200/- per day will be penalized for non-submission for every single day default. This penalty is exclusive from the above mentioned penalties. Major incidence refers to outage of more than 10% of total sites at a particular time ordered under this RFP.

11. Payment Terms

11.1 The selected bidder shall submit consolidated Bank wise invoices and other supporting documents (i.e. excel file containing invoice wise breakup for each site/monthly uptime availability report/ monthly backhaul utilization report, MPLS installation reports signed and stamped by the bank branches/offices) necessary as per the terms duly authenticating on each document, site-wise, along with the request letter for payment of rental charges for branches to each Bank's Head Office (Details will be mentioned in each Bank's PO Separately), on quarterly basis. Bank shall accept invoices for a specific quarter once only and no invoice for that specific quarter will be accepted/processed by Bank in future and it will be the bidder's responsibility to submit all applicable/correct invoices on quarterly basis. Payment pertaining to hardware and bandwidth charges for branches will be processed by the Aryavart Bank at Head Office, MPGB Head Office and VKGB Head Office Separately. All payment will be centralized at each Bank's respective Head Offices.

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

- 11.2** The payment shall be directly credited to the designated account provided by the successful bidder through electronically after deducting applicable TDS if any. The payment after deducting applicable TDS will be released by the Bank's Head Office. The payments will be released only on acceptance of the order and on submission of contract performance guarantee as per clause 38. The bidder shall be responsible for extending the validity date and claim period of all the bank guarantees before 30 days to its validity date on account of incompleteness of work under guarantees. The bank shall invoke the guarantee before expiry of validity, if the work is not completed. Bidders should ensure proper submission of invoices to the respective authority for payment processing.
- 11.3** The bandwidth charges are payable on quarterly basis in arrear per site basis from the date of acceptance for every site ordered, installed and accepted by the Bank. **The charges towards all items are payable within 30 days** from the date of receipt of correct invoice along with the submission of supporting documents. All invoice raised for bandwidth charges should carry the site name with site address, allotted bandwidth along with uptime report and the invoices should pertain to the links procured under this RFP only. The selected bidder should **provide consolidated Bank wise invoices** for each commissioned sites for 3 Banks separately. All the invoices under this project will be submitted centrally at Head Office of each Individual Bank With all relevant Formats (IC report and uptime report) need to be submitted and processed at each Bank's Head Office level only.
- 11.4** All the invoices under the project e.g. pertaining to bandwidth charges and shifting charges should be raised within the contractual period only. Bank may give maximum period of 2 months after the contract expiry for submission of pending invoices for the last quarter and no payment will be processed after 2 months from actual contract expiry date.
- 11.5** Invoices pertaining to shifting charges should be raised on timely basis within the same quarter of shifting or maximum by next quarter to avoid reconciliation in accounts and invoices pertaining to bandwidth charges should be raised within 30 days after respective quarter ending date. Bank will not be able to process the payment if invoices are submitted after 6 months from date of shifting letter/intimation.
- 11.6** All submitted invoices are to be supported with required documents only. All invoices should have complete details of site with respect to the claim period and plan of service, rate breakup (if any), tax breakup as well. All invoices will be payable after deducting applicable penalty or LD amount if any.
- 11.7** All invoices pertaining to shifting charges, revisit charges etc. are to be submitted along with bank's approved commercial e-mail only and on quarterly basis to the head office. Invoices should have proper details of sites. i.e. From sites where MPLS Link has been relocated to identified sites with supporting documents(like ref. no. of bank intimation or letter with date, MPLS Link re-installation certificate). These invoices will be payable after deducting applicable penalty. All other terms are same for these invoices are same as mentioned in payments terms of this RFP.
- 11.8** Bidder should provide all SLA reports (reports on parameters like packet loss, jitter,

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

latency, availability, down-call from the commissioning date, bandwidth utilization for any duration, within the contract period, in the format desired by the Bank) for calculating the LD and penalty from the system in place which will be further asked in advised format by the Bank for processing the invoices after deducting the penalty or LD amount.

11.9 It is the responsibility of Bidder to ensure all kinds of field reports viz. site survey reports, preventive maintenance reports, call attended reports etc. should be made available at any point of time clearly visible. All the mandatory reports should have branch officials Name/Signature/Sealed/Date and Remarks.

11.10 The charges for upgrading/downgrading the MPLS links from existing bandwidth to new bandwidth shall be billed on the pro-rata basis by bidder and shall be payable by Bank on pro-rata basis as per Table B of Format G(a) of this RFP.

12. Documentation:

All related documentations shall be supplied by the selected bidder in CD/Pendrive and also in printed media at no extra cost. The documentation has to be provided by the bidder location wise as per the requirement. Training on MPLS Network operations and FLM (First Level Maintenance) of the link or equipment's shall be provided to the branch staff at the time of installation. It should be mentioned specifically in the installation and acceptance certificate given by the branch Manager. Bidder has also to submit the Project plan after award of the contract. Bidder should annually submit the complete project document covering all details of all sites on yearly basis. After expiry of the contract bidder has also to submit the complete document of the project covering all details of all orders sites under this project. Bank at its discretion can ask bidder to provide all kind of details related to project in the document. Bank will give the Project sign-off after the submission of requested document only.

13. Validity & repeat orders

13.1 The bidder should keep validity of the bid for **12 months** from the last date of submission of bids. The Bank shall have the right to place the order to either single or multiple locations or for all locations which can be spread over the contract period.

13.2 The Bank shall have the right to place the order to either single or multiple locations or for all locations. In addition to the initial Order placed, Bank may place subsequent orders for any item, if required, at any time during the contract period.

13.3 The procurement of new links or future requirements will be finalized as per procurement process followed by the Bank during entire contract period (i.e. 5 years from the acceptance of first link delivered under the project). Such orders, if any, shall be governed by this RFP and agreed terms.

14. Taxes

14.1 Prices shall include all applicable taxes, duties, levies, charges, license fees, road permits etc. in connection with delivery of product at site including incidental services and

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

commissioning. However, Goods and Service Tax (GST) shall be paid extra at actual from time to time and the same is payable at Bank's Head Office. The charges towards supply, installation, commissioning, integration, acceptance, services, regulatory/govt. charges, duties, AMC etc., should be included in the total rental charges of the equipment along with Bandwidth and these charges should not be quoted separately. However, GST, if any, is to be quoted separately. Otherwise, the bid is liable for rejection at the discretion of the bank.

- 14.2** Invoice submitted by the vendor should indicate exact cost of the items ordered and supplied along with the Tax amount.
- 14.3** It is the responsibility of the selected bidder to obtain the necessary approval from the Government/ any other authorities for importing such products, if the items to be supplied by the bidder are to be imported from any other country.
- 14.4** The Bidder shall be solely responsible for arranging the foreign exchange release and import license for any materials, components, bought out items that may be required to be imported for the purpose of performing the work under this RFP and accordingly the bid prices shall include all the customs, customs clearance, import duties, levies, license fee etc. payable by the Bidder on imported items. Bank is not liable in this regard whatsoever. All prices quoted shall be in Indian Rupees only and no exchange rate fluctuations shall be borne by the bank for whatever be the reason incurred by the bidder.
- 14.5** Any certificate required to be submitted by the Bank in case of acquiring encryption hardware or software shall be explicitly specified in the Qualifying & Technical bid by the bidder.

24. Patent Rights/Intellectual Property Rights

In the event of any claim asserted by a third party of infringement of copyright, patent, trademark, industrial design rights, etc. arising from the use of the products or any part thereof in India, the Service Provider shall act expeditiously to extinguish such claim. If the Service Provider fails to comply and the Bank is required to pay compensation to a third party resulting from such infringement, the Service Provider shall be responsible for the compensation to claimant

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

including all expenses, court costs and lawyer fees. The Bank will give notice to the Service Provider of such claim, if it is made, without delay. The Service Provider shall indemnify the Bank against all third-party claims of infringement of patent, trademark, intellectual property, copyrights or industrial design rights arising from use of the Products or any part thereof.

25. INSPECTION AND RIGHT TO AUDIT BY BANK AND RBI

Bidder shall keep complete and accurate records of its activities in connection with the said contract. Bidder shall provide such details/information as may be called for by the Bank and/or the Reserve Aryavart Bank (RBI) and /or any other Regulatory Authority and also allow the Bank and/or RBI and /or any other Regulatory Authority, their auditors, officers for inspecting, examining and auditing Bidder's records, whenever required by Bank and/ or RBI and /or any other Regulatory Authority. Bidder will co-operate with the RBI and/or Bank and /or any other Regulatory Authority's internal or external auditor to assure a prompt and accurate audit. If the Bank permits the Bidder to outsource any of the activities under this contract (which shall always be in writing), the Bidder shall ensure that necessary agreement is entered into with the Agency engaged for such purpose and such agreement shall also contain necessary mandate by the said outsourced agency inter alia agreeing for production of documents called for, inspection and audit of their premises and books by RBI and / or the Bank and /or any other Regulatory Authority and any Agencies engaged by the Bank and / or by the RBI and /or any other Regulatory Authority. Bidder shall also correct any practices which are found to be deficient if pointed out by the RBI and/or Bank and /or any other Regulatory Authority. The Bidder is aware that failure to provide the information called for within the stipulated time to the Bank and/ or RBI and /or any other Regulatory Authority may result in RBI and /or other Regulatory Authority imposing fine on the Bank /Bidder and the Bidder agrees that all such fine shall be paid by the Bidder irrespective of whether such fine is levied on the Bank or the Bidder. Payment of fine by Bidder, shall not affect the right of the Bank and/ or RBI and /or any other Regulatory Authority to take other actions against the Bidder.

Bidder is also aware that while outsourcing various IT services, more than one Bank may be availing services from the same third-party service provider. In such scenario, where the Bidder is providing such services to other Banks as well, in lieu of conducting separate audits by individual Banks, the Banks may adopt pooled (shared) audit on the Bidder which allows the Banks to either pool their audit resources or engage an independent third-party auditor to jointly audit the Bidder. Bidder hereby confirms and declares that it has no objection for the same.

Bank may at its sole option depending upon the risk assessment, may also rely upon globally recognised third-party certifications in lieu of conducting independent audits. Bidder shall ensure that it shall grant unrestricted and effective access to a) data, books, records, information, logs, alerts related to the outsourced activities; and also b) the relevant business premises of the Bidder for the purpose of effective oversight use by the Bank, their auditors, regulators and other relevant Competent Authorities, as authorised under law.

(e) 'Margin of purchase preference' means the maximum extent to which the price quoted by a 'Class-I local supplier' may be above the L1 for the purpose of purchase preference. The margin of purchase preference shall be 20%.

(f) Decisions on complaints relating to implementation of the above shall be taken by the competent authority which is empowered to look into procurement related complaints relating to the procuring entity.

(g) Among all qualified bids (which includes 'Class-I Local supplier', 'Class-II Local supplier' and/or 'Non Local supplier'), the lowest bid will be termed as L1. **If L1 is 'Class-I local supplier', the contract will be awarded to L1.**

(h) If L1 bidder is not a 'Class-I local supplier', the lowest bidder among the "Class-I local supplier" will be invited to match the L1 price subject to the local supplier's quoted price falling within the margin of purchase preference, and contract for that quantity shall be awarded to such the 'Class-I local supplier' subject to matching the L1 price. In case such lowest eligible 'Class-I local supplier' fails to match the L1 price, the next higher 'Class-I local supplier' with the next higher bid (within the margin of purchase preference) shall be invited to match the L1 price and so on, and contract shall be awarded accordingly. In case none of the 'Class-I local supplier' within the margin of purchase preference

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

matches the L1 price, then the contract may be ordered on the L1 bidder.

(i) In case above mentioned conditions are not met, then order shall be given to L1 bidder.

44.1 CERTIFICATE OF LOCAL CONTENT

The bidder at the time of submission of bid shall be required to provide a certificate as per **FORMAT-P** from the statutory auditor or cost auditor of the company (in the case of companies). Certificate from the statutory auditor or cost auditor of the company (in case of companies) or from a practicing cost accountant or practicing chartered accountant (in respect of suppliers other than companies) giving the percentage of local content, on their letterhead with Registration Number with seal to be submitted (**FORMAT-P**). Also bidder needs to submit self-declaration as per **Format-Q**.

44.2 Format of Certificate for Tenders for Works under Rule 144 (xi) in the General Financial Rules (GFRs), 2017 to be submitted by the bidder as per Format-R.

45. Abnormal low bid prices/predatory pricing

An abnormally low bid is one in which the bid price, in combination with other elements of the bid, appears so low that it raises material concerns as to the capability of the bidder to perform the contract at the offered price. In such cases, the Bank shall be within its absolute right to seek written clarifications from the bidder/s, including detailed price analysis of the bid price in relation to the scope, schedule, allocation of risks and responsibilities, and any other requirements as the Bank may deem necessary.

If, after evaluating the price analysis, Bank determines that the bidder/s has/have substantially failed to demonstrate its capability to deliver the contract at the offered price, bank may at its sole discretion:

- a) reject / cancel the bid/proposal after giving 7 days notice to the such bidder/s; and /or
- b) forfeit the bid security and/or invoke Bank Guarantee; and /or
- c) recover cost incurred/to be incurred by the bank for the delay in implementation including the penalty, if any, imposed by the Regulator/Government/Other authorities for non-compliance of regulatory/Government/Other authorities guidelines; and /or
- d) debar such bidder/s from future RFP processes/contracts for the period as deemed fit by the Bank; and/or
- e) circulate the list of such entities to member organization/s for circulation among members and/ or
- f) circulate/publish the list of such entities, as deemed fit.

In the event of rejection/cancellation of any bid/s as above, the Bank shall also be within its absolute right at its sole discretion to award the contract to the next bidder/s as per RFP.

2	Bidder should provide support for End to End IP sec traffic on MPLS network.		
3	Bidder should provide any to any configuration on MPLS VPN Network		
4	Bidder should ensure RF antenna height should not be beyond 9 meters from the base.		
5	End to end traffic categorization, bandwidth provisioning and prioritization for specific traffic as required by Bank		
6	The MTU (maximum transmission unit) size should be 1500 bytes.		
7	Jitter of the connectivity should not be more than 10ms.		
8	Bidders should support IPV4 & IPV6 addressing scheme.		
9	Bidder Network should support multicast support in the MPLS network.		
10	Bidder network should able to provide Multi VRF environment.		
11	Bidder's network should support dynamic routing protocols like Open Shortest Path First (OSPF), Border Gateway Protocol (BGP) etc. BGP is preferred.		
12	Bidder's NMS should be capable of auto ticket logging and should be capable of providing all monthly SLA reports (reports on parameters like packet loss, jitter, latency, availability, down-call from the commissioning date, bandwidth utilization for any duration, within the contract period, in the format desired by the Bank) from the bidders monitoring tool. Automated reports will be preferable.		

Ref no. HO/IT/MPLS/RFP-01/2024/230 Dated 15-03-2025

13	Bidder should be able to configure Quality/Class of services in the MPLS Network as asked by bank and at no extra cost to the bank. Bidder should ensure all applications should be accessible including IP Phone communication through IPSec		
	in required MPLS Network for all locations.		
14	The minimum permissible signal strength is -55 dbm for MIMO/high-gain-receivers		
15	The solution/external device should support IPv6		
16	The network of the TSP shall be capable of handling incidents like distributed denial of service (DDOS), Brute force attack etc.		
17	Network Time Protocol Version 4 (NTPv4), Syslog, Ping, Trivial File Transfer Protocol (TFTP) and Secure Shell version 2 (SSHv2) must be supported		
18	SNMPv3 support , Access control list (ACL) Support must be available		
19	The bidder will ensure physical and/or logical segregation of Aryavart, MPGB and VKGB network from that of INTERNET/other networks/customers.		
20	Bidder shall do adequately strengthened encryption algorithm to encrypt the entire data when it is traveling through the air.		
21	In case of radio frequency (RF) connectivity, bidder may provide point to point or point to multi point connectivity on WiMax/ UBR/ mmWave 5G, provided it adheres to the terms and conditions mentioned in the RFP, like committed bandwidth, security parameters etc.		
22	The selected Bidder should comply with the Bank's IT and IS policy in concerned areas relevant to the RFP. Since 3 Banks are sponsored by BOI, any policy not implemented/under implementation in any of 3 Banks-bidder has to ensure to comply with BOI's IT and IS policies also.

Table-B

Bandwidth Upgrade Rates above 2 Mbps on Wired/Stable wireless Connectivity

Bank would require higher or lower bandwidth for some of its ordered/to be ordered locations. The multiplication factors for the particular bandwidth, on the basis of which price of other bandwidths will be computed, are given below:

Bandwidth Category	Multiplication factor
2 Mbps	X(discovered Price)
4 Mbps	Y(discovered Price)
6 Mbps	1.33 Y
8 Mbps	1.66Y
10 Mbps	2 Y
20 Mbps	2.33 Y
30 Mbps	2.66 Y
40 Mbps	3 Y
50 Mbps	3.33 Y
100 Mbps	4 Y
300 Mbps	4.66 Y
500 Mbps	6 Y
1 Gbps	6.66 Y

Note:

- I. The bidder shall necessarily agree to the multiplication factor provided for the above bandwidths. E.g., the bidder will have to accept the multiplication factor for 6, 8, 10 Mbps and so on up to 1 Gbps. However, in any case the charges will not exceed the TRAI prescribed charges/ceiling on charges for Point to Point connectivity or MPLS connectivity, whichever lower, for the bandwidth under consideration. Bidder should provide a declaration as a part of price bid for above rates.
- II. Bank may at any point of time surrender the links as per the requirement by giving 30 days notice by the way of email/letter/Surrendering order. Upon receipt of such notice, bidder shall de-commission the link at anytime within or upto 30 days from the date of intimation but not later than 30 days. Bank will pay the charges only till the actual date of de-commissioning. Bank shall not process any payment beyond 30 days from the date of intimation via Letter/email/Surrendering order even if the link is not decommissioned by the bidder.
